## FOR E W O R D

*I*n the modern manner we present the history of Highland Park High School during the year of 1937-1938.

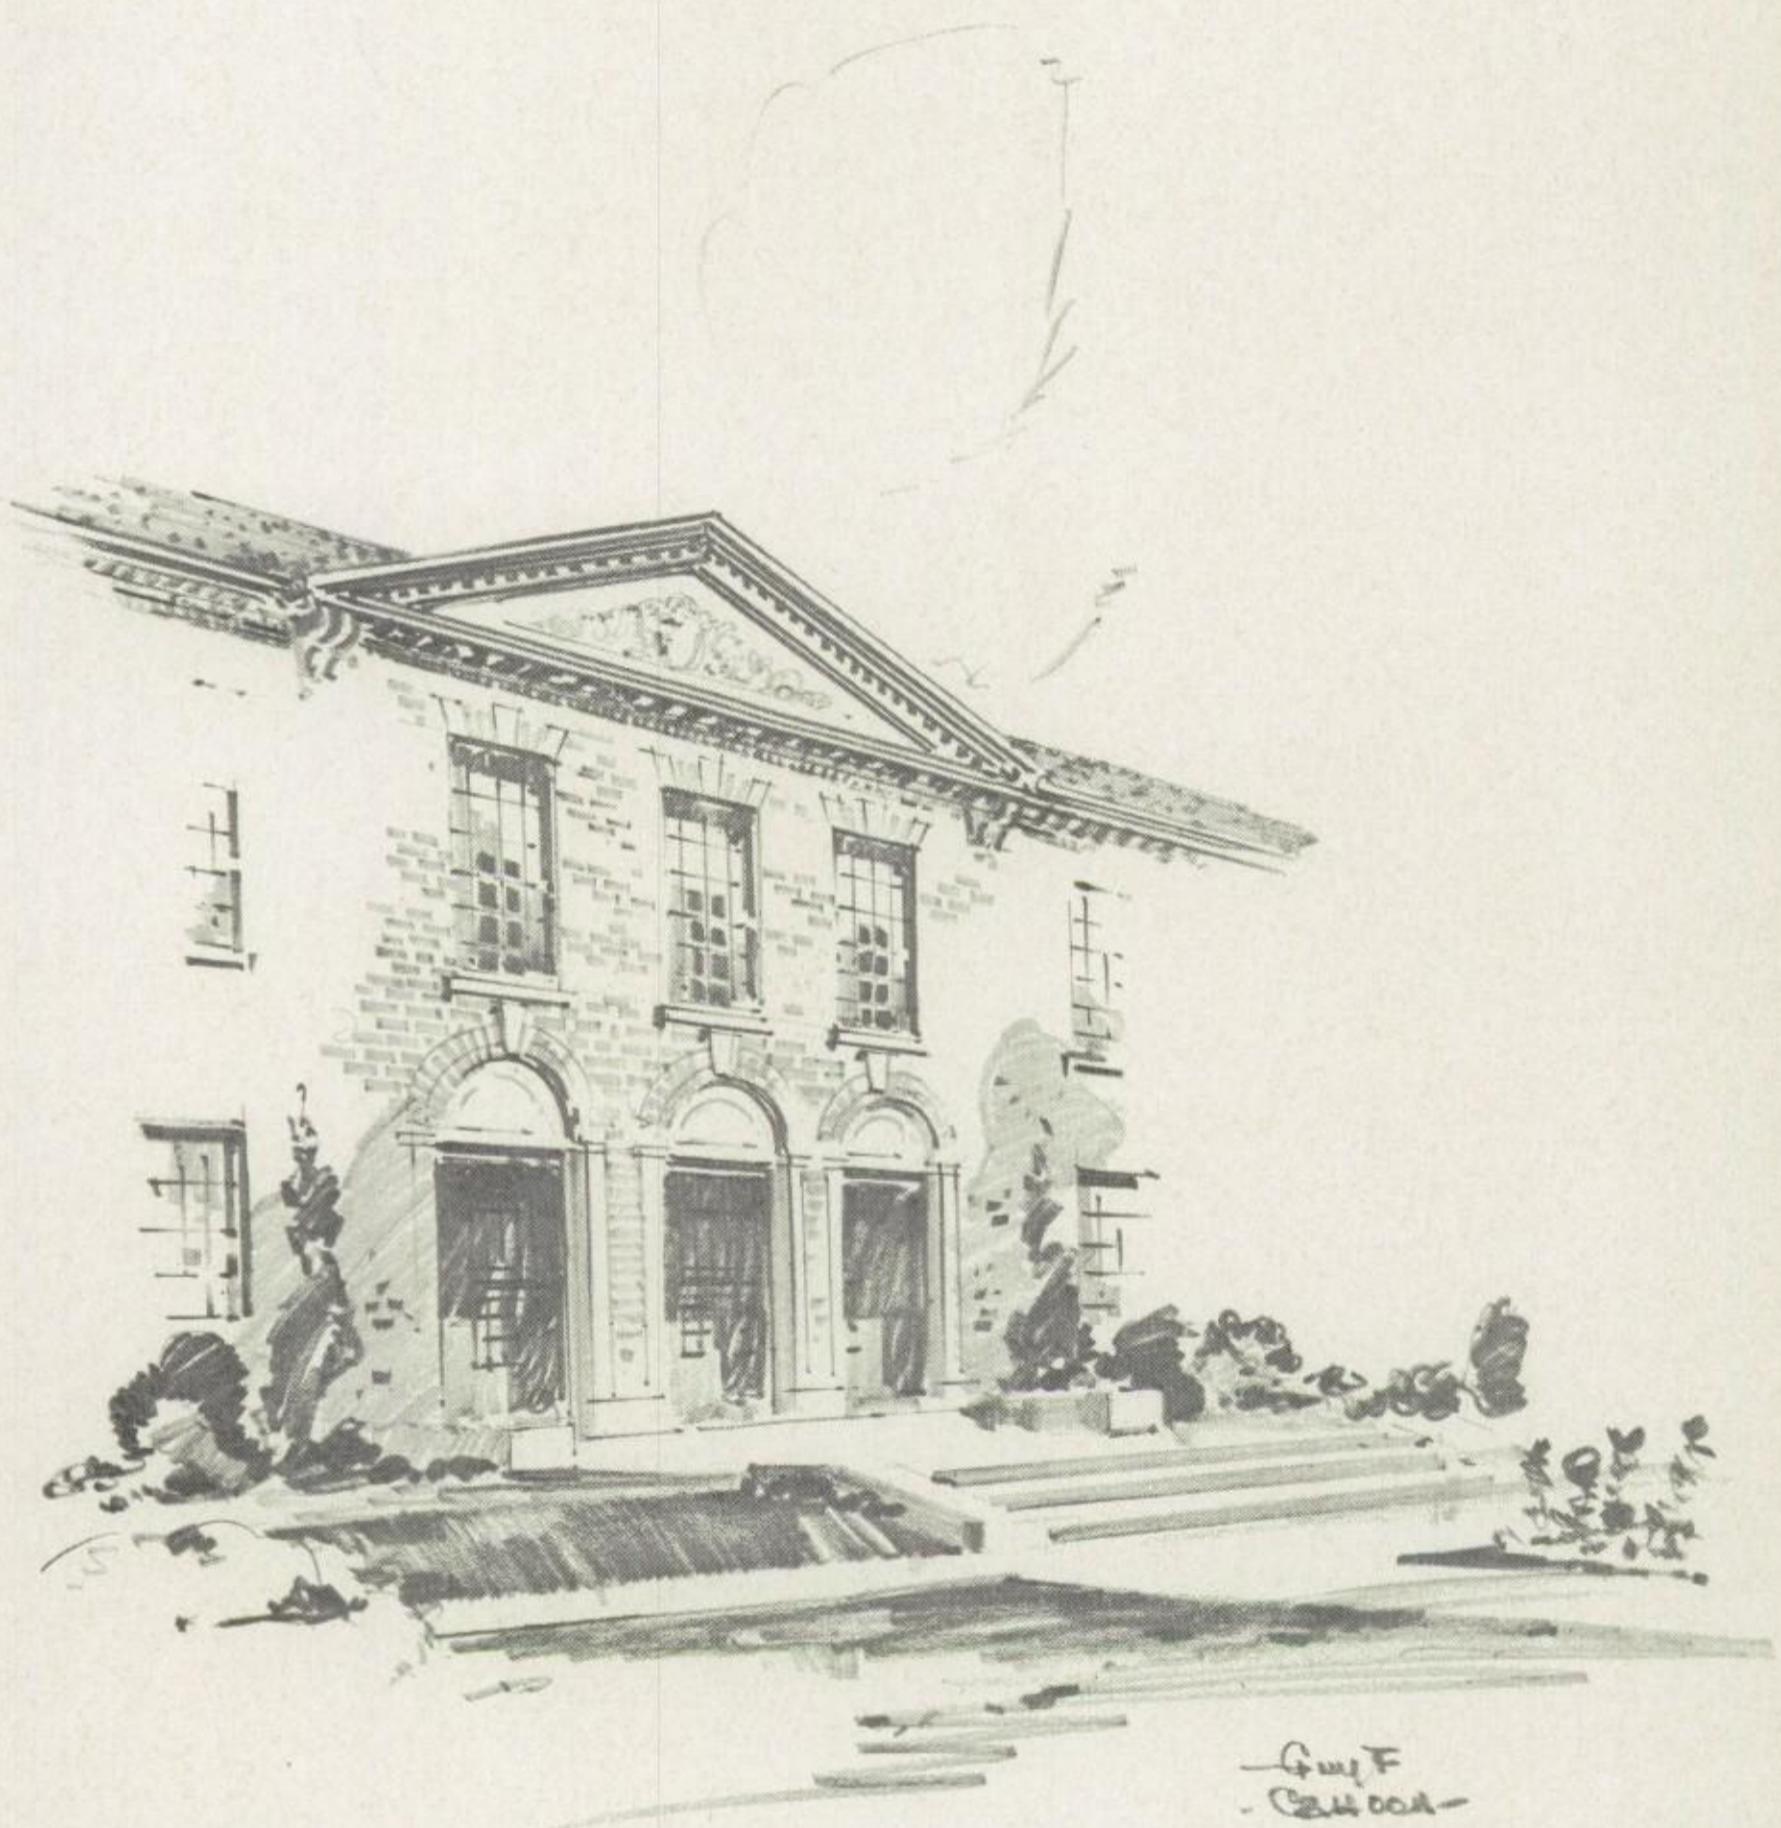

## DEDICATION

To our principal, Ben W. Wiseman, for his kindly tolerance and unselfish devotion to Highland Park High School, this *Highlander* is respectfully dedicated.

## MEMBERS OF BOARD OF EDUCATION

The Board of Education wishes to express to the graduating class and the entire student body congratulations and best wishes. We rejoice in your accomplishments and share with you the joys that come from work well done. We wish for each of you a full, well-rounded experience during your stay in Highland Park Schools and through life.

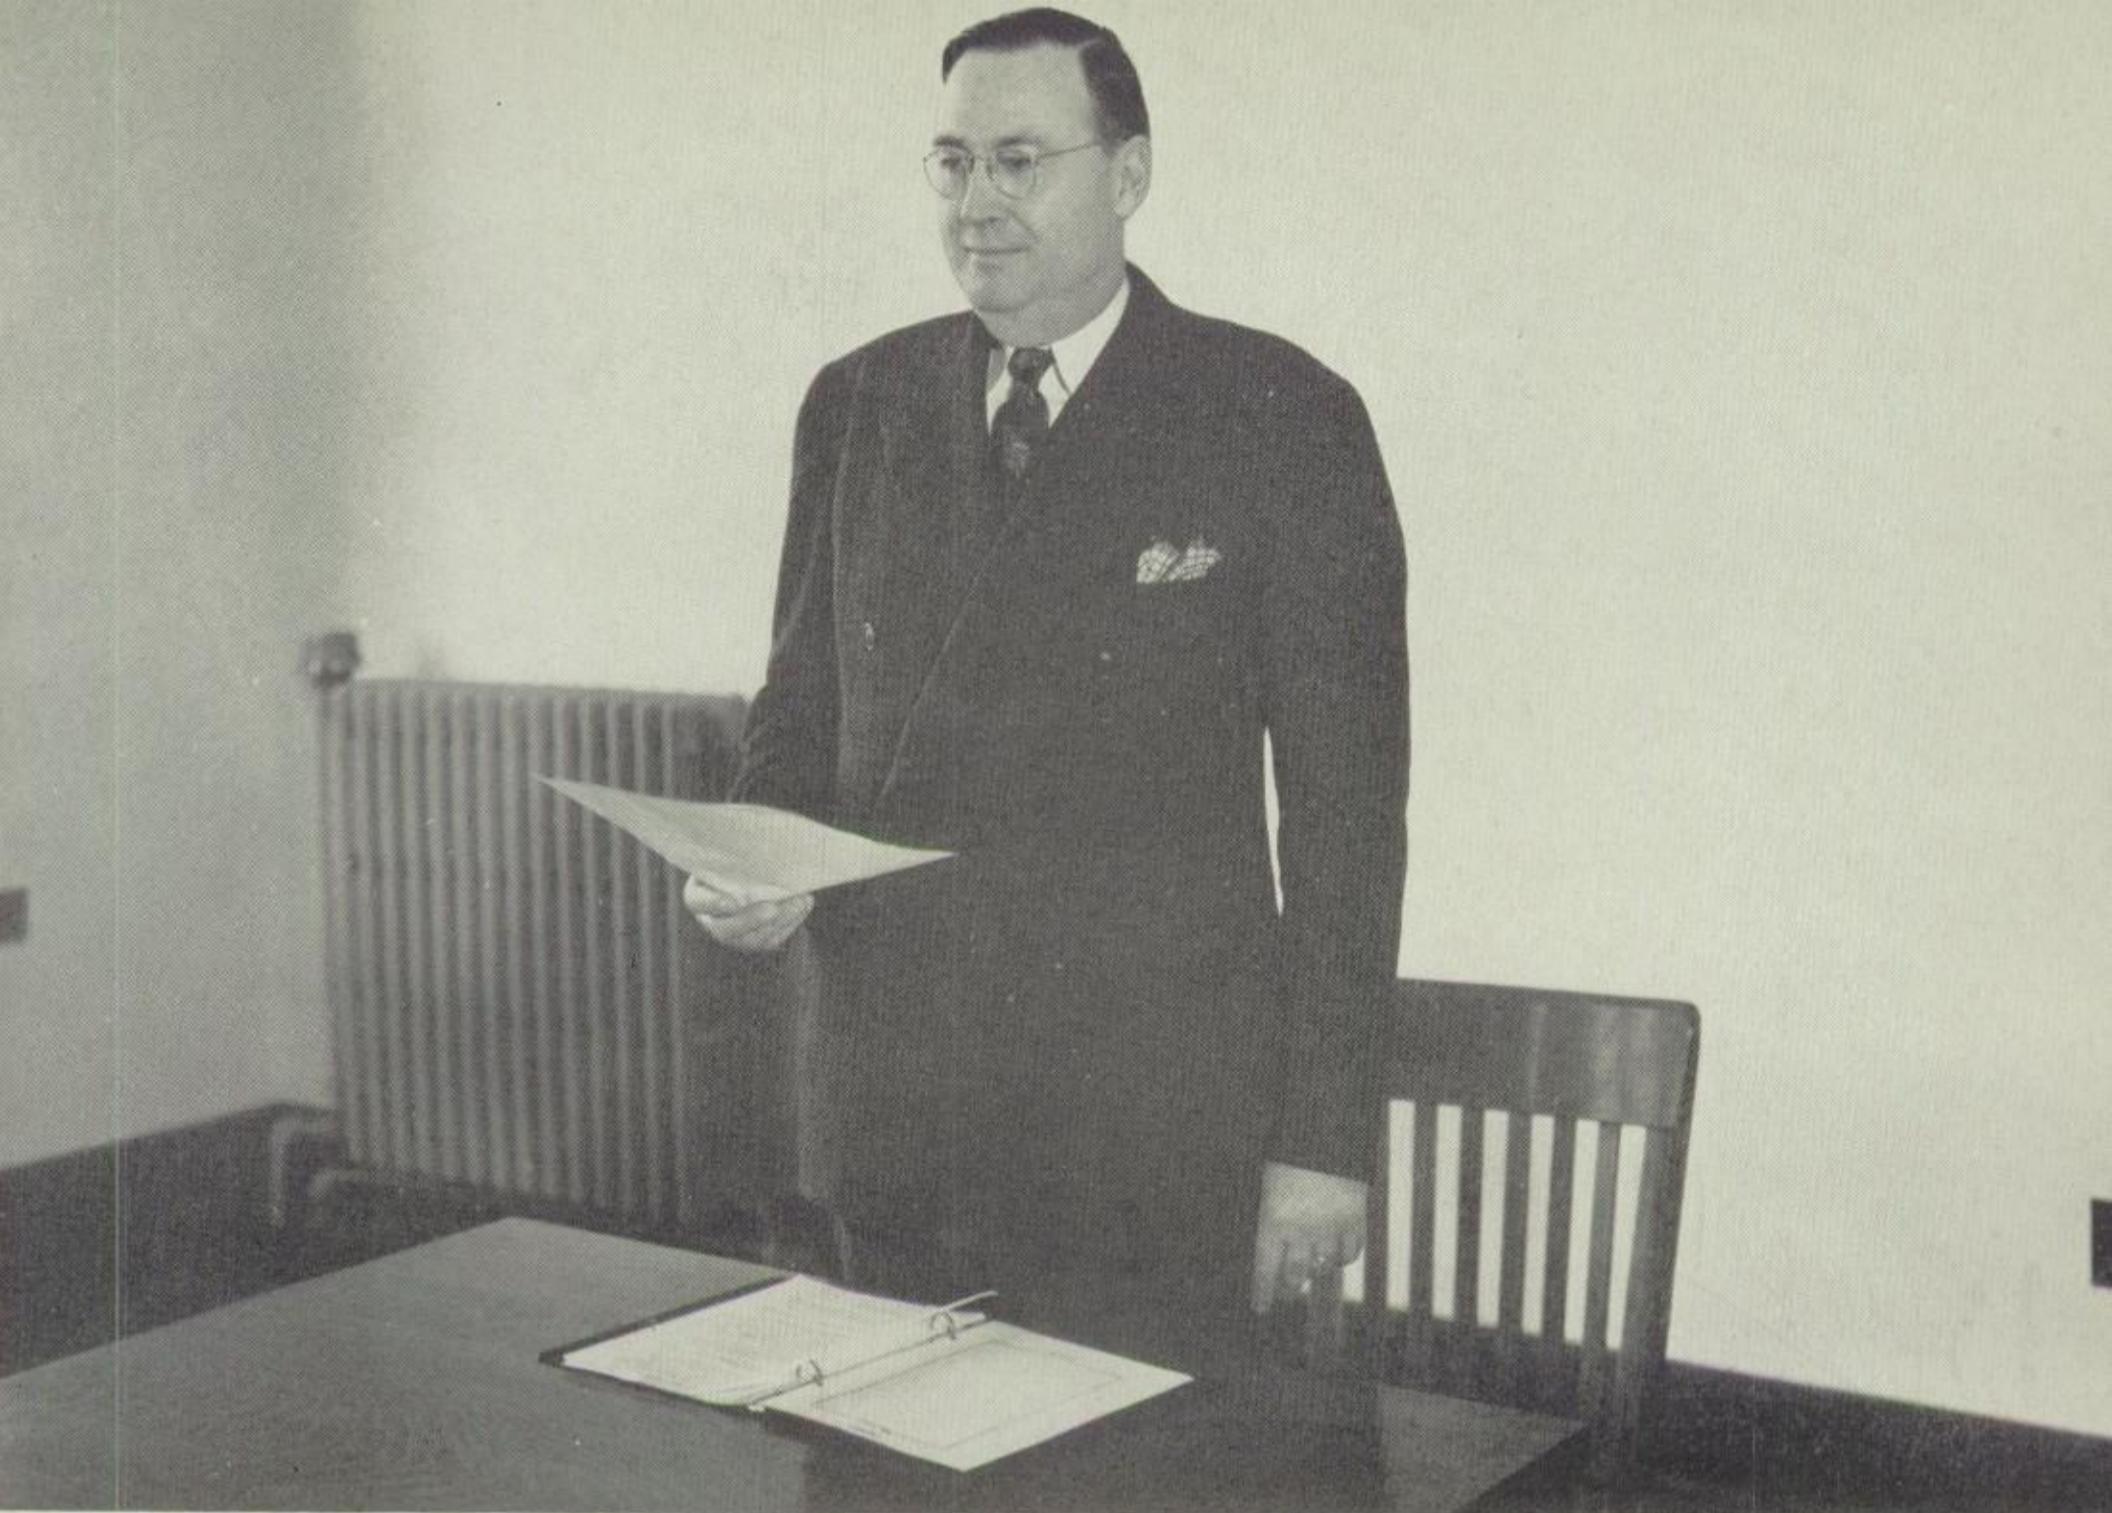

R. C. DUNLAP, President,  
Board of Education, Highland Park  
Independent School District

## THE P. T. A.

The P. T. A. speeds the classes of 1938 on their way, wishing them a bright and prosperous future but also trusting that a brave spirit will carry them through any misfortune and a generous attitude mark all their relations with their fellow men.

MRS. BENTLEY YOUNG  
President of Parent-Teacher Association

## D A D S      C L U B

In the parade of your high school routine your teachers, sponsors, and coaches have been ever changing, but your dads have been, are, and shall continue to be the same dads, buoyantly happy to boast of you and your activities. To the 1938 Highlander we bow low and doff our tams in praise of this volume, editorially refreshing, and typographically beautiful.

JACK ESTES, President  
The Highland Park Dads Club

## OUR SUPERINTENDENT

To Our Graduates of 1938:

I hope your years of High School work have been happy ones and that your training and experiences here have been such that they will contribute much to your future joy and happiness as you go about the duties of life.

H. E. GABLE, Superintendent,  
Highland Park Public Schools.

## OUR PRINCIPAL

One might paraphrase a familiar quotation by saying, "The spirit of the school is revealed through the attitude of the pupil." The natural, friendly attitude of our student body has been evident during the past year. Few visitors leave without expressing their appreciation of the friendly, courteous atmosphere that exists within our walls. They come as visitors and leave as friends.

Purposes of the Student Council of Highland Park are: to help maintain a form of school government which encourages pupil-teacher co-operation; to foster sentiments of law and order; and to unify all student organizations under one general control.

During the past semester the council has handled the school drives; sold "Scottie" emblems during football season; held a special election for Editor of the "Bagpipe"; sponsored a school dance; sent both a student and faculty representative to the convention of the Southern Association of Student Government; and sponsored a Student Get-Acquainted Week.

To create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of Highland Park High School are the purposes of the National Honor Society.

One of the biggest awards Highland Park has ever offered to seniors was inaugurated by the National Honor Society this year. This is the "H" blanket that is offered to one senior boy and one senior girl who have amassed the most points by service to the school. Two other important projects were adopted. They were: to keep a record of all offices and honors of each pupil, and to compile a mimeographed catalogue of every book in the library.

In 1937 the Highland Park chapter of Quill and Scroll, international honorary journalistic society, was first organized and is composed of the outstanding staff members of the school publications.

The requirements for membership are junior standing, scholastic rank in upper third of class, superior work in some phase of journalism, and recommendation by the sponsor. The spring formal initiation was held after the Publications Banquet.

The chief project of the club in 1938 was to revise and re-edit the "Kiltie", the student handbook, for the following year. Co-editors and assistants were selected from the club, and junior members received excellent training for the coming year. The editors for 1938 were Margaret Anne Moore and James Blanchette.

The aim and purpose of Highlights is to assist girls in preparing for useful participation in life of today, by guiding their personal development, by stimulating their creative faculties and by aiding them in acquisition of knowledge, the cultivation of taste, and the establishment of character.

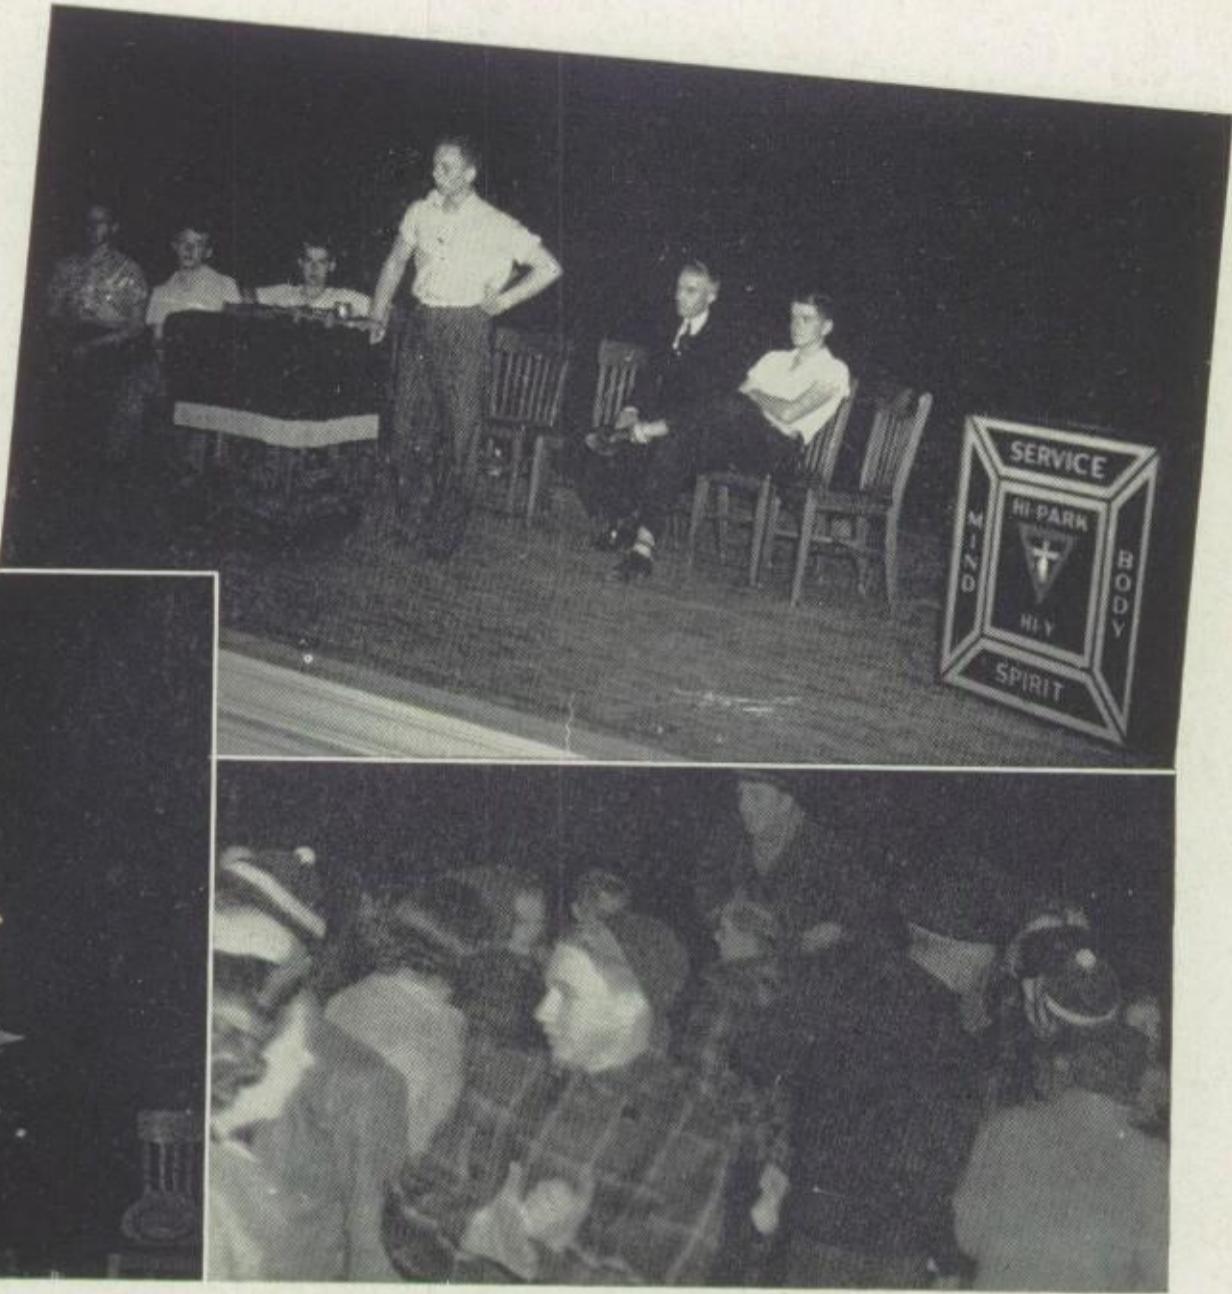

During the past year style shows, amateur programs, and interesting speakers have been presented at the meetings of Highlights. Social events have included a barn dance, a get-acquainted party for Junior High girls, and the annual banquet at which the officers of the coming year were announced. At Thanksgiving and Christmas the club gave to the needy families. The project of Highlights this year was the aiding of a student at graduation and then sending her to summer camp. In its work Highlights has accomplished its purpose and has aided in school service.

To create, maintain and extend throughout the school and community high standards of Christian character is the purpose of the Hi-Y. To become a member, a student must make formal application, be interviewed and recommended by two members of the club, and be voted unanimously into membership.

At the Older Boy's Conference in Temple, Johnnie Mac Seay, our Hi-Y President, was elected President of the 1939 Conference.

The organization sponsors several social functions, such as picnics, skating parties, reception for new students at mid-term, banquet, annual all-school dance. At the spring banquet, an appropriate award is made to the member who has best exemplified the Hi-Y spirit throughout the year.

To further all phases of dramatics in this school is the purpose of the Dramatic Club. During the past year, due to the large membership of the club, four groups were organized under the leadership of the officers to meet once a month and present one-act plays. Some of the plays presented were, "Happy Journey", "The Play-Goers", "The Trysting Place", and "The Wonder Hat."

Students are given the opportunity to learn stage directing, make-up, casting, handling of properties, and acting itself, under the able assistance of Miss Peggy Harrison, the sponsor of the club, and Mr. Bufford Forr of S. M. U.

The climax of the year's work is the one-act play which is prepared for the Interscholastic One-Act Play Contest held at S. M. U. every spring.

The purposes of the Choral Club, organized by Mr. Story in 1924, are to help train the voices of all girls in high school who have vocal talent, to bring to them a better appreciation of good music, and to contribute a worthy service to the activity program of the school. Each year since its organization the club has presented an operetta in which the boys of the high school have assisted. Twice annually the club furnishes the vocal music at Commencement Exercises, and it has also participated for several years in the State Choral Club Contest held annually at Denton. The girls of Highland Park have twice won the State Cup at the Denton meet.

One of the newest clubs in Highland Park is the Camera Club, formed by those who are interested in photography and its branches, and by others in school who are also attracted by the click of a camera shutter. Membership is limited to twenty-five. One of the features for research is the dark-room built by the school and outfitted by the club. An event of some importance to the school was the picture exhibit and photographers' contest. This proved very interesting to the school as a whole and was highly enjoyed by the photographers. Though it is very new, the Camera Club promises to become one of the most important organizations in the school because of the wealth of training in store for its members.

With an enrollment of seventy-nine members, the Travel Club began its second successful year. The purpose of the club is to broaden the student's interest by giving him opportunity for contact with customs, peoples, traditions, institutions, buildings and scenery of other countries as well as his own; to teach appreciation of these countries, and to give him some practice in planning a trip of his own.

In September the constitution of the club was drawn up by the constitution committee and ratified by the club. Travel stories, debates, and picture shows were the features of the bi-monthly meetings. Interesting travel reports were made by the members at the first three meetings of the year; the most outstanding accounts were Charles Purnell's "My Trip to Europe", Pat Howell's "Mexico City", and Marian Caldwell's "Interesting Pyramids."

Among the most popular clubs in school is the rapidly growing Riding Club. Members under the capable supervision of Mrs. L. N. Williams, the sponsor, ride twice a week at the Rendezvous Stables.

Hunt suppers, barbecues, and even a unique scavenger hunt on horseback were a few of the entertainments throughout the year. The annual luncheon, which has grown to be an event that is looked forward to by all the members, was held at the Mural Room in the Baker Hotel.

Twice a month meetings are held and reports are made from the club's various magazines and discussions are held on the methods of riding.

In 1937-38 the French Club was re-organized to give the students a chance to use their French in such a way as to supplement their work in class. Among the activities of the club are speeches, songs, and games in French. A short French play directed by Charles Purnell was presented during the first semester.

During the spring semester a debate in French and a picnic were held.

## INTERSCHOLASTIC LEAGUE ACTIVITIES

For the fourteenth year Highland Park entered the Interscholastic Declamation Contest and was ably represented by Blanche Wiggs and Gibby Ledyard. The subject of Blanche's declamation was "The Strange Drama", by J. P. Griffen, and Gibby's was "Pluck and Plod", by William Lloyd. Miss Harrison and Miss Golden prepared the contestants.

Lorraine Kindred was our representative in the Ready Writer's Contest. This year marked the fourth entrance of Highland Park in this event. Lorraine's essay was entitled "Making Up", and she was under Mrs. William's supervision.

Another event under the direction of Mrs. Williams was the Spelling Contest. The team was composed of Marie Koepcke and Dorothy Dennis.

One of the Interscholastic events in which Highland Park was outstanding was the Debate Contest. The teams composed of Charles Purnell and Pat Howell and Mattie Wilkinson and Portia Webb attended meets in Waco, Denton, Wichita Falls, North Dallas, and Corsicana. The boy's team won the semi-finals in the regional district tournament. The state subject for debate in the district tournament was: Resolved: "Texas should have a unicameral system of legislation." Mrs. Miller trained the debaters for the tournaments.

# LATIN TOURNAMENT

Contestants for the Latin Tournament were prepared by Miss Bradfield and Miss Masters.

North Dallas High School was host to the North Texas Interscholastic Latin Tournament on April 2, 1938. After the tournament a banquet was held in the school cafeteria. A play, "Julius Caesar," was presented by the freshman English class, after which the results of the tests were announced. Highland Park won the following events:

#### First Year Team

Anna Buchanan and Kathryn Johnson—first team place.

Anna—second individual place.

Kathryn—fourth individual place.

#### Third Semester Team

Jimmy Roland and Helen Graner.

#### Second Year Team

Tommy Obenchain and Bobby Watkin—second team place.

# ONE-ACT PLAY

The year 1938 marks the first time that Highland Park has received first place in the district tournament of the Interscholastic One-Act Play Contest.

In the district tournament Hugh White won second place individual boy honors, while Florence Chan in the regional meet won second place individual girl honors.

Later the cast added the third place in the regional contest to its laurels.

The play, "The Trysting Place," by Booth Tarkington, was presented before the student body prior to the contest and was well received by the audience. Miss Harrison directed the cast, which included the following:

Three years ago the Art Club was formed by students who wanted to carry on extra art work in regular meetings. Besides these regular business and working meetings, the Art Club has two picnics a year and an annual banquet. The club is composed of active members who really carry on art work after school, and associate members who are merely interested in the club and wish to attend the parties and banquet.

For the first time in its history the Bagpipe won state recognition this year. At the fall conference of the Texas High School Press Association it was given honor rating for being one of the six best papers in the Class A division of the state. Tom Shoop and Bill Crook won honorable mention for sports stories and for "Lads and Lassies."

This has been a "first" year for the paper in many other respects. It is the first year in which there has been a Journalism class; the first year an extra was published; the first year the paper has published eighteen issues; the first year it has been distributed by subscription; and the first year it has come out ahead financially.

## FLOYD HIGHTOWER

The Highlander line coaching job is ably handled by Mr. Floyd Hightower, who is completing his second year at Highland Park. He is one of the most popular members of the faculty and is held in high esteem by all participants of athletics. Coach Hightower is a former Shreiner Institute and Alabama athlete.

## REDMAN HUME

Head Coach Redman Hume, backfield mentor, is considered by many to be one of the smartest high school coaches in Texas. In his second year as head coach, he missed winning the district championship by seven points and then won it easily in his third year. Coach Hume formerly participated in athletics at Sherman High School and Southern Methodist University, where he was an all-conference back. He is well liked and highly respected by all who have played under his coaching and by all who are connected with him.

## AN ACCOUNT OF THE GAMES

### HI PARK 42; CORSICANA 7

For the first time in seven years, the Highlanders won their season opener with Corsicana. The beautiful blocking and deadly tackling of the Scots proved them far superior to their opponents. The running attack of the Golden Avalanche, led by Dick Dwelle, showed its power by amassing twenty-two first downs, while scoring forty-two points. The offensive of the Tigers was held well in check by the forward wall, led by Wallace Chappell and Gene Constantin.

### HI PARK 7; WOODROW 0

The Highlanders went into the game a slight favorite over their Dallas opponents. This was the first scheduled game between a Dallas school and Highland Park since 1932. The Scots scored early in the first quarter and played a defensive game for the remaining three quarters. The highlight of the game was to see "Little" John Little and Big Bill Waters standing side by side and stopping practically every Woodrow play which came within five yards of them.

## HI PARK 39; ENNIS 0

A fast charging line swept the Ennis High Lions to a 39-0 defeat. The first half was played on fairly even terms, but the Scots, led by their reserve strength, scored practically at will in the final periods. "Jake" Bishop was the shining light in the backfield, while Jack Harkey and Swank, and Herbert Schiff were outstanding in the line.

## HI PARK, 25—SHERMAN, 9

For the first time the Scots had to come from behind to defeat their opponents. Their passing attack proved its effectiveness as Dwelle and Gay completed thirteen out of twenty-six aerials. The Bearcats were slight favorites at game time, but the Highlanders totaled twenty-three first downs to Sherman's four.

## HI PARK, 46—SULPHUR SPRINGS, 6

The first district game of the season ended in a runaway for the Scotties, who employed tricky laterals and straight running plays to overpower their opponents.

The thrill of the game came when the Wildcats ran a hidden ball play that had everyone guessing, even the officials. In the second half of the game, David "Bouncer" Gay turned loose with two spectacular broken field runs of sixty-five and seventy-five yards. Johnny Seay also contributed to the cause by snagging two long touchdown passes.

## HI PARK, 28—DENTON, 6

The Scotties won their second district game at Denton, where they were met by more opposition than was expected. However, they turned on the heat and produced four touchdowns. All four extra points were booted from placement by Jimmie Wooten. Norman Germany and Dick Gregory turned in a good game while replacing Johnny Seay, who was out with a broken hand.

HI PARK'S "GOLDEN AVALANCHE"—1937 DISTRICT SIX CHAMPS

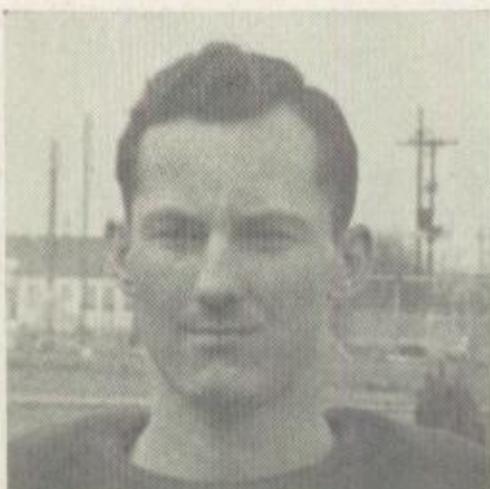

Hi Park vs. North Dallas. Our line made it hard on punters this year.

### HI PARK, 61—GARLAND, 6

The Garland Owls gave little opposition to the Golden Avalanche and the game was soon turned over to the reserves, who showed what they could do by running wild. Billy Tipton made one long run for a touchdown and then turned around to make another one for eighty-five yards, only to have it called back because of an off side penalty.

### HI PARK, 47—McKINNEY, 0

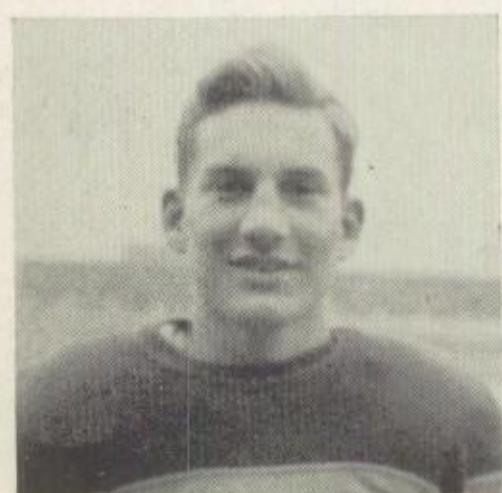

The Scotchmen gained their eighth straight victory as they mauled their opponents from McKinney. They were out to avenge their 7-0 defeat handed them last year by the Lions, which was their only loss in the district and cost them the championship. The highlight of the game came at the start of the second half, when "Moose" Munnell returned the kickoff sixty yards to a touchdown behind some beautiful blocking by Grady Jordan.

## HI PARK, 7—NORTH DALLAS, 7

Many Highlander fumbles led to the first touchdown by North Dallas in the opening quarter. The Bulldogs were content to play a defensive game throughout the rest of the game and held their lead until the last five minutes. Then Virgil Harris snagged a long pass and stiff-armed the safety man to score the tying touchdown. This tie took the Scotties from the list of undefeated and untied teams in the state.

## HI PARK, 26—GREENVILLE, 0

The game with the Lions proved to be a hard fought affair, as is always the case when Hi Park and Greenville tangle. The Scots proved their superiority by scoring on passes and wide laterals. Much of the credit for the Highlanders winning this game, and with it the district crown, goes to Alfred Tarr.

## HI PARK, 6—SHERMAN 7

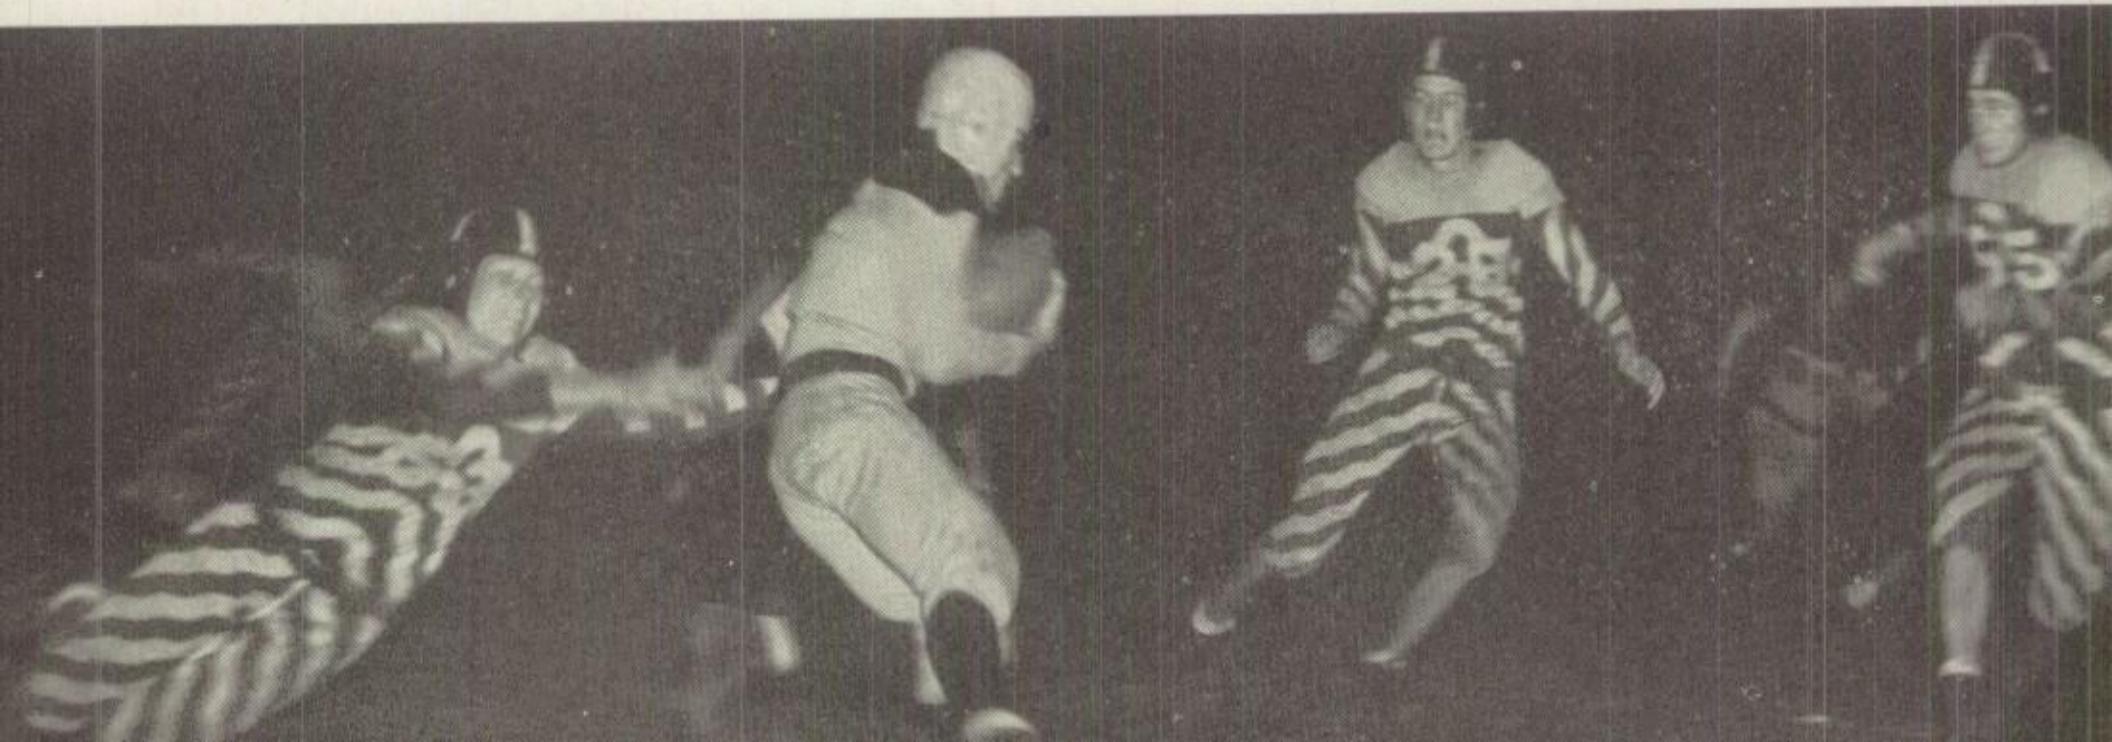

On a cold and muddy day the Golden Avalanche fell before the onslaught of the Sherman Bearcats by one point to lose the Bi-District title. The Scots were behind at the close of the first quarter and were unable to score again. Although fighting valiantly, the Scotties were unable to come from behind as in their previous battle with Sherman and were dropped from the state race in a heart-breaking 7-6 loss.

The Scotties finished their 1937 schedule of ten games with only a tie with North Dallas against them. They did not lose or tie any district games.

After the season was completed, the coaches of District 6 teams voted for the eleven outstanding players of that district. This All-District team contained seven Highland Park players: Gay, Dwelle, Wooten, Chappell, Waters, Tarr, and Munnell.

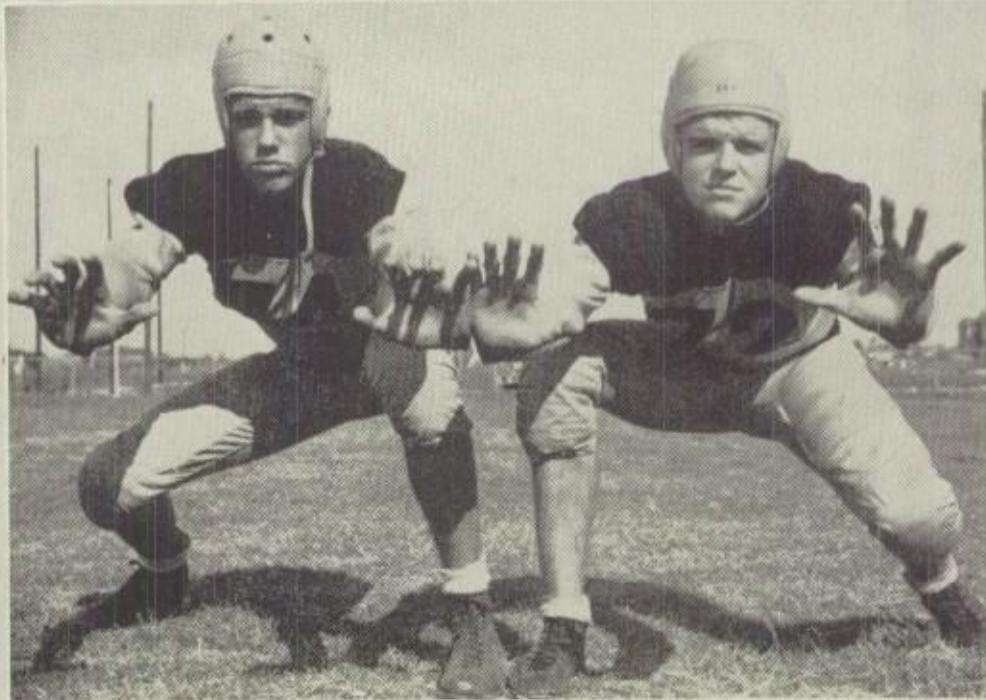

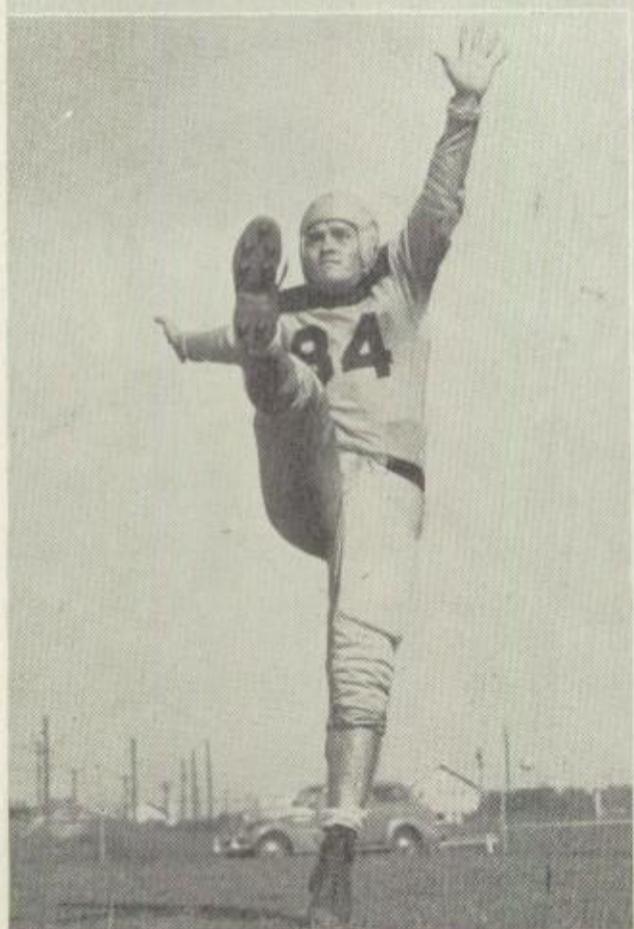

The 1938 Highlander team members will have their work cut out for them to reach the goal set by the 1937 squad and replace such regulars as Waters, Wooten, Henry, Chappell, Tarr, Constantin, Little, and Gay.

#### SPECIAL FOOTBALL AWARDS

The Seay Memorial Trophy, a yearly loving cup given by Charles Seay in memory of his father, Dero E. Seay, was awarded to David Gay as the most valuable player for the season of 1937. His brilliant offensive work, combined with a fine team spirit, earned for David this splendid award.

The Coaches Award, a gold plaque given to the player chosen as the best blocker on the team, bore the name of Captain Jimmie Wooten. A veteran end, Jimmie was the best in removing opponents from the path of our ball-carriers.

## C H E E R   L E A D E R S

Roxy Singleton, Robert Kerr, Rolinda Chappell, Tom Shoop, Kay Abernathy and George Hemmingson are the persons mainly responsible for keeping the famous Highlander spirit at its height during our very successful football season.

Each football game saw a new outburst of pep and vitality among the cheer leaders. Each game also saw head Cheer Leader Tom Shoop picking the cutest girl of our opponents' cheer leading squad to be his partner at the half. Each game brought forth a peppier and more excited Roxy Singleton, whose hopping and trucking at games will be missed by all Scottie fans next year. We hope that in the future all football players won't fall as hard for cute brown-eyed H. P. H. S. cheer leaders, as a certain Greenville guard did for our own Linda Chappell in the Thanksgiving Day game. We know Kay's pretty smile and pleasing personality proved an asset to the team, and that Robert and George did exceptionally well in supporting those fighting Scotties all season.

## "B" TEAM FOOTBALL

The "B" Team, under the direction of Coach Lauter, who trained the players and got them ready for the "A" squad, had only two lettermen back, Jot Newman and Jack Pearl.

The team started its season off by playing Adamson's first string substitutes, who were not defeated all year. Ed Jarrett was outstanding throughout the game with his wide end runs and long kicks. The second trial was with Woodrow Wilson's "subs." This game showed great improvement. Ed Jarrett again proved dangerous when he threw a forty-yard pass to Barton, who ran for a touchdown. Last and least was our game with Frisco High, which had a much heavier and more experienced team. After a hard fight we came out on the short end of the score.

As far as games won, we were not so successful, but we did get the boys ready for next year's "A" squad.

The lettermen are as follows: Jarrett, Barton, Newman, Pearl, Powers, Haas, Crummer, Gage, Witte, Polakoff, Long, Joiner, Ivey, Panders, Hudson, Connell, Martin, Jawk, Langdon, Lee, Winters, and Manager Foley.

# BASKETBALL

The Highlanders opened their 1937-'38 basketball season with only two lettermen in the line-up, Captain Billy Waters and Alternate Captain Jimmie Wooten. With only a week's practice, the Scotties trekked to Oklahoma on a week's trip, playing four games in as many nights. Their first opponent was the strong McAlester quintet which the Blue and Gold defeated (30-20). The whole team played good ball with Captain Waters leading the scoring. Highland Park ran into rough going the next night against the Muskogee Roughers who took the Scots into camp 42 to 18. But the Blue-Gold Cagers rebounded the next night and defeated Atoka High, who had not tasted defeat all season. The Highlanders left Oklahoma with a 500 percentage, as they lost to Ardmore in the last game of the trip. Coach Lauter had stated previous to the trip that the invasion would be a success if they won half their games.

On their return home, the Kilties prepared to open the newly-formed Conference 6 race. In this conference the Scotties finished up with eight wins and no defeats. The highlight of this conference was the fact that the Plaid Wearers twice defeated the strong Denton Broncs by decisive scores. Every man on the Highlander squad performed well during the season's play, but some of the outstanding men on the squad were Captain Billy Waters, season high scorer and All-District Tournament selection; Alternate Captain Jimmie Wooten and Dick Dwelle, with his fine defensive play, at guards; Marshall Henry, elongated center who stands 6 feet, 4 inches, received many favorable comments from basketball critics. Jimmie Wooten also received All-District selection on second team.

The District Tournament held at S. M. U. finished the Scots' season when they lost in the semi-finals to Woodrow Wilson in a hard fought game. Woodrow Wilson later went on to win the state championship at Austin. The Woodrow boys on their return from Austin stated that the Kilties were the strongest quintet they met with the exception of John Reagan, whom Woodrow defeated in the semi-finals of the state tournament. Waters was selected as All-District Center when he scored 12 points against the tight Woodrow defense.

The "B" team under the able tutelage of Coach Binnion had a very successful season, playing seven games without a defeat. Coach Binnion announced the following lettermen for the "B" team:

George Connell  
Starke Taylor  
Don Wooten  
Kleber Waters  
George Peabody

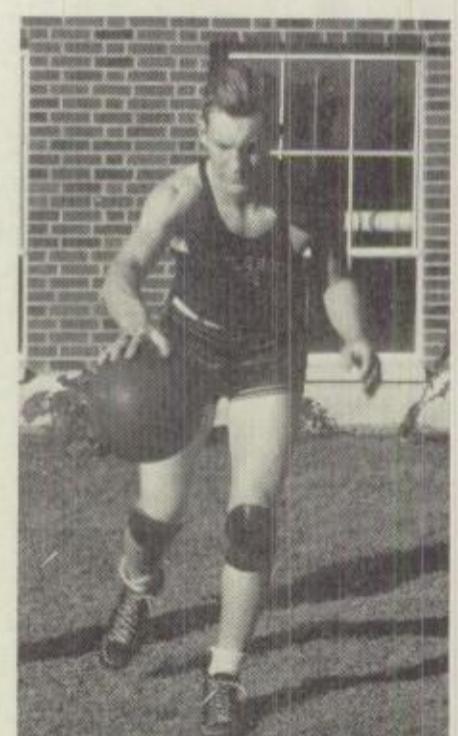

Norman Germany  
Trawick Womack  
Tom Bryan  
Alfred Tarr

Coach Marshall and Captain Dwelle

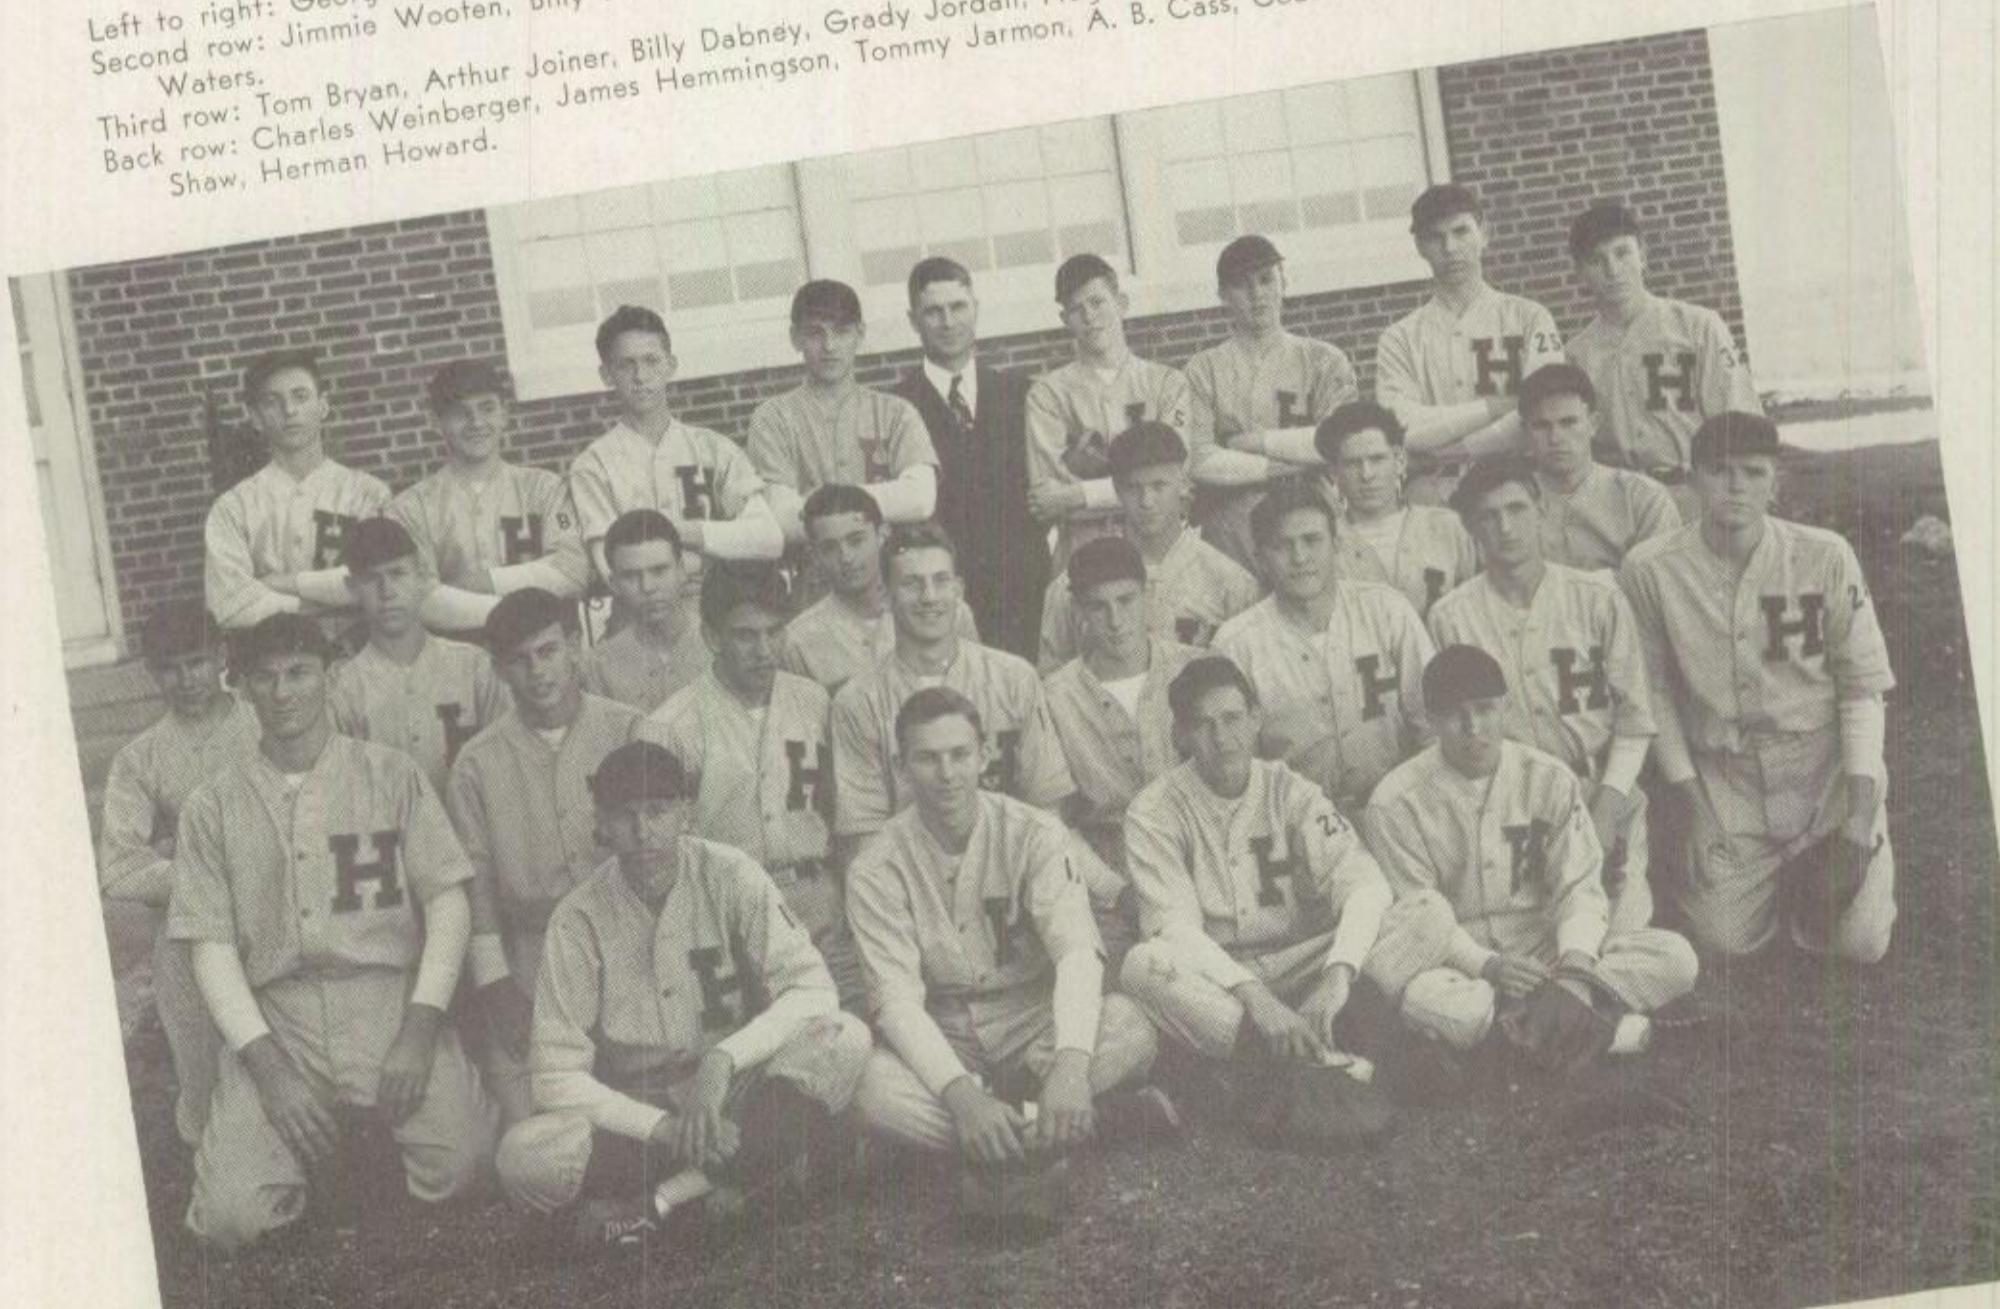

With seven returning lettermen Highland Park's baseball team is leading the Dallas County League with five wins and one defeat as we go to press.

Our team has been greatly strengthened this year by a strong pitching staff led by Jimmie Wooten and Roy McKinney and rookies Charles Magee in the infield and David Gay and Don Wooten in the outfield.

Our incomplete schedule for the year is as follows:

Hi Park	.	.	.	.	3	North Dallas	.	.	.	5

# TRACK » SPRING » 1938

Left to right: Marshall Henry, Jimmie Wooten, Ed Jarrett, George Peabody, Al Tarr, Dick Dwelle, Grady Jordan, David Gay, Ralph Schrimpf, Dick Sleeper, Webster Bishop, J. R. Ray.

After two weeks work, the Highlander track team entered eighteen men at one of the fastest meets of the South, held at the Fat Stock Show in Fort Worth. A few promising men were uncovered as a result of two Highland Park Intramural meets put on by Coach Hightower in which about thirty boys participated. Some of these promising men were Germany and Jordan in the 440 and Swank in the shot and discus. The outstanding feature of these meets was the brilliant performance turned in by Captain Ralph Scrimpf in the mile event.

Showing improvement in stride, stamina, and speed Captain Schrimpf, the Sophomore sensation, won the mile event in a meet with the Dallas schools that followed the intramural events while his team mates won second and third in the high jump, second in the discus, and fourth in the 440 to win fourth place in the meet.

Schrimpf led the Scotties into the district meet and came through with a new district record of 4:45.2 in the mile race. Other Scots who participated in this meet were Bishop in the hurdle, Barton and Jarrett in the 100 and 220, Jordan and Germany in the 440, and Wooten and Peabody in the high jump.

Going on to the regional meet in Denton alone, Schrimpf took a close second place with the time of 4:38.2, his fastest time. After showing great improvement in style, Schrimpf is expected to take first place in that event when he goes to the state meet at Austin in May.

 lier, number one; T. C. Hooker,  
 number two; and John Cumby,  
 number three.

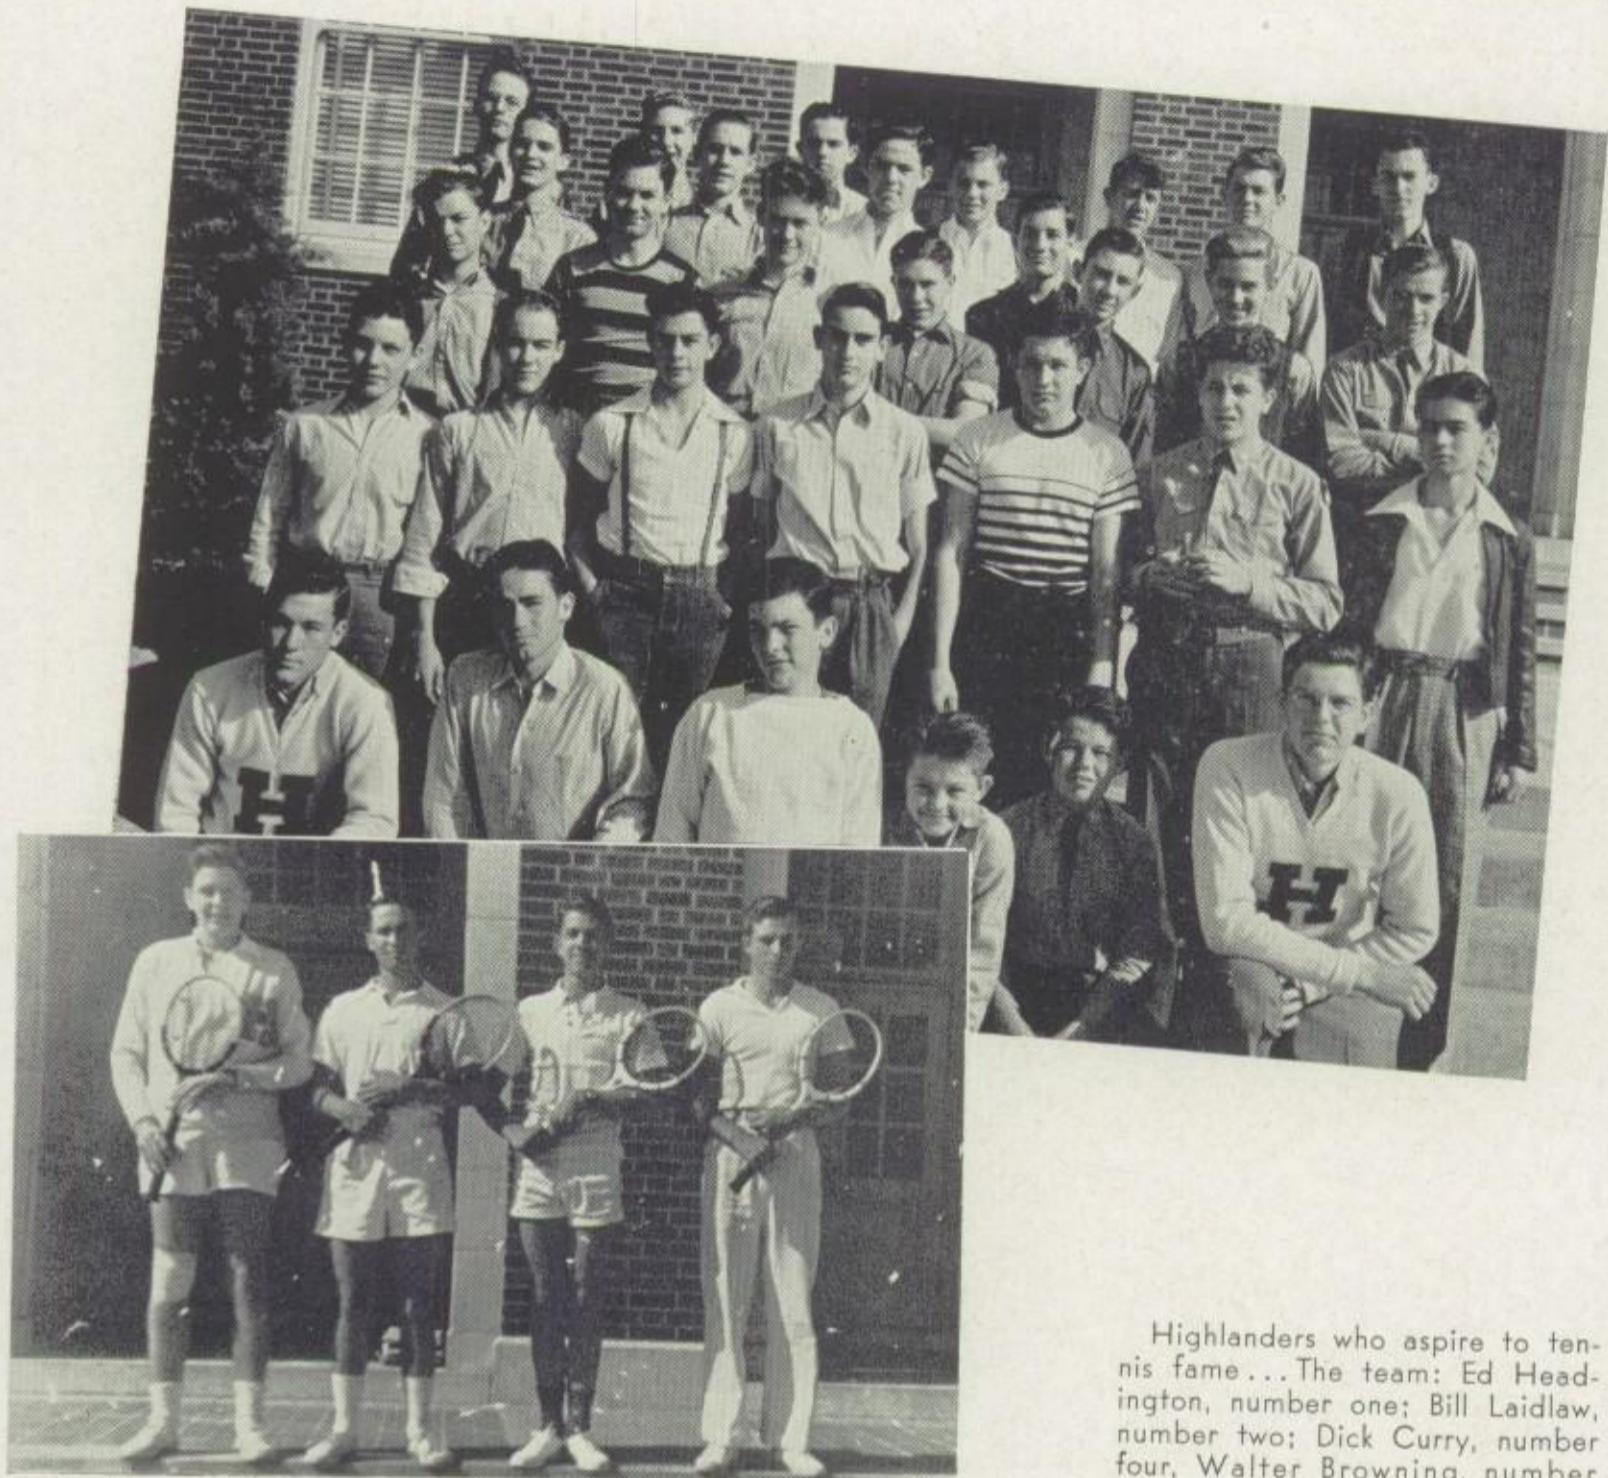

## G      O      »      L      »      F

With only one experienced player, Morris Collier, back from last year, the Highland Park golf team had a fairly successful season. Several matches were played with the neighboring schools and the team made one out of town trip to Waco.

After fifty-four holes of medal play at Glen Lakes Country Club, a team of six was selected to represent our school. The team, including the alternates, was composed of John Cumby, T. C. Hooker, Starke Taylor, Julian La Roche, Morris Collier, and Chunn Ballow.

Morris Collier's first place position was undisputed, but John Cumby and T. C. Hooker argued over second and third, and the remaining three fought it out for the fourth place on the team.

Highland Park sponsored the second annual State High School Golf Tourney, which was held at Cedar Crest Country Club, Dallas, on April 12th, 13th, and 14th. Earl Stewart, Sunset, won the State Championship and John Cumby, Hi Park's only winner, won the championship of the first flight. Much credit is due Mr. Bowlby, the team's sponsor, for his fine work in arranging the state tournament and in helping the team with its practice and matches. He is largely responsible for the success of all of these events.

Highlanders who aspire to tennis fame... The team: Ed Headington, number one; Bill Laidlaw, number two; Dick Curry, number four, Walter Browning, number three.

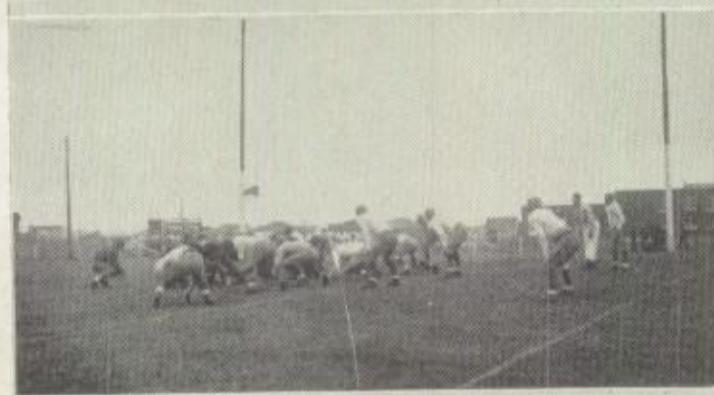

## T E N N I S

Hi Park opened the tennis season this year by playing Denton High School March 12. From that time until the district tournament we played Waco High School, North Dallas High School, North Texas Teachers' College, Denton High School, and two matches with North Texas Agricultural College.

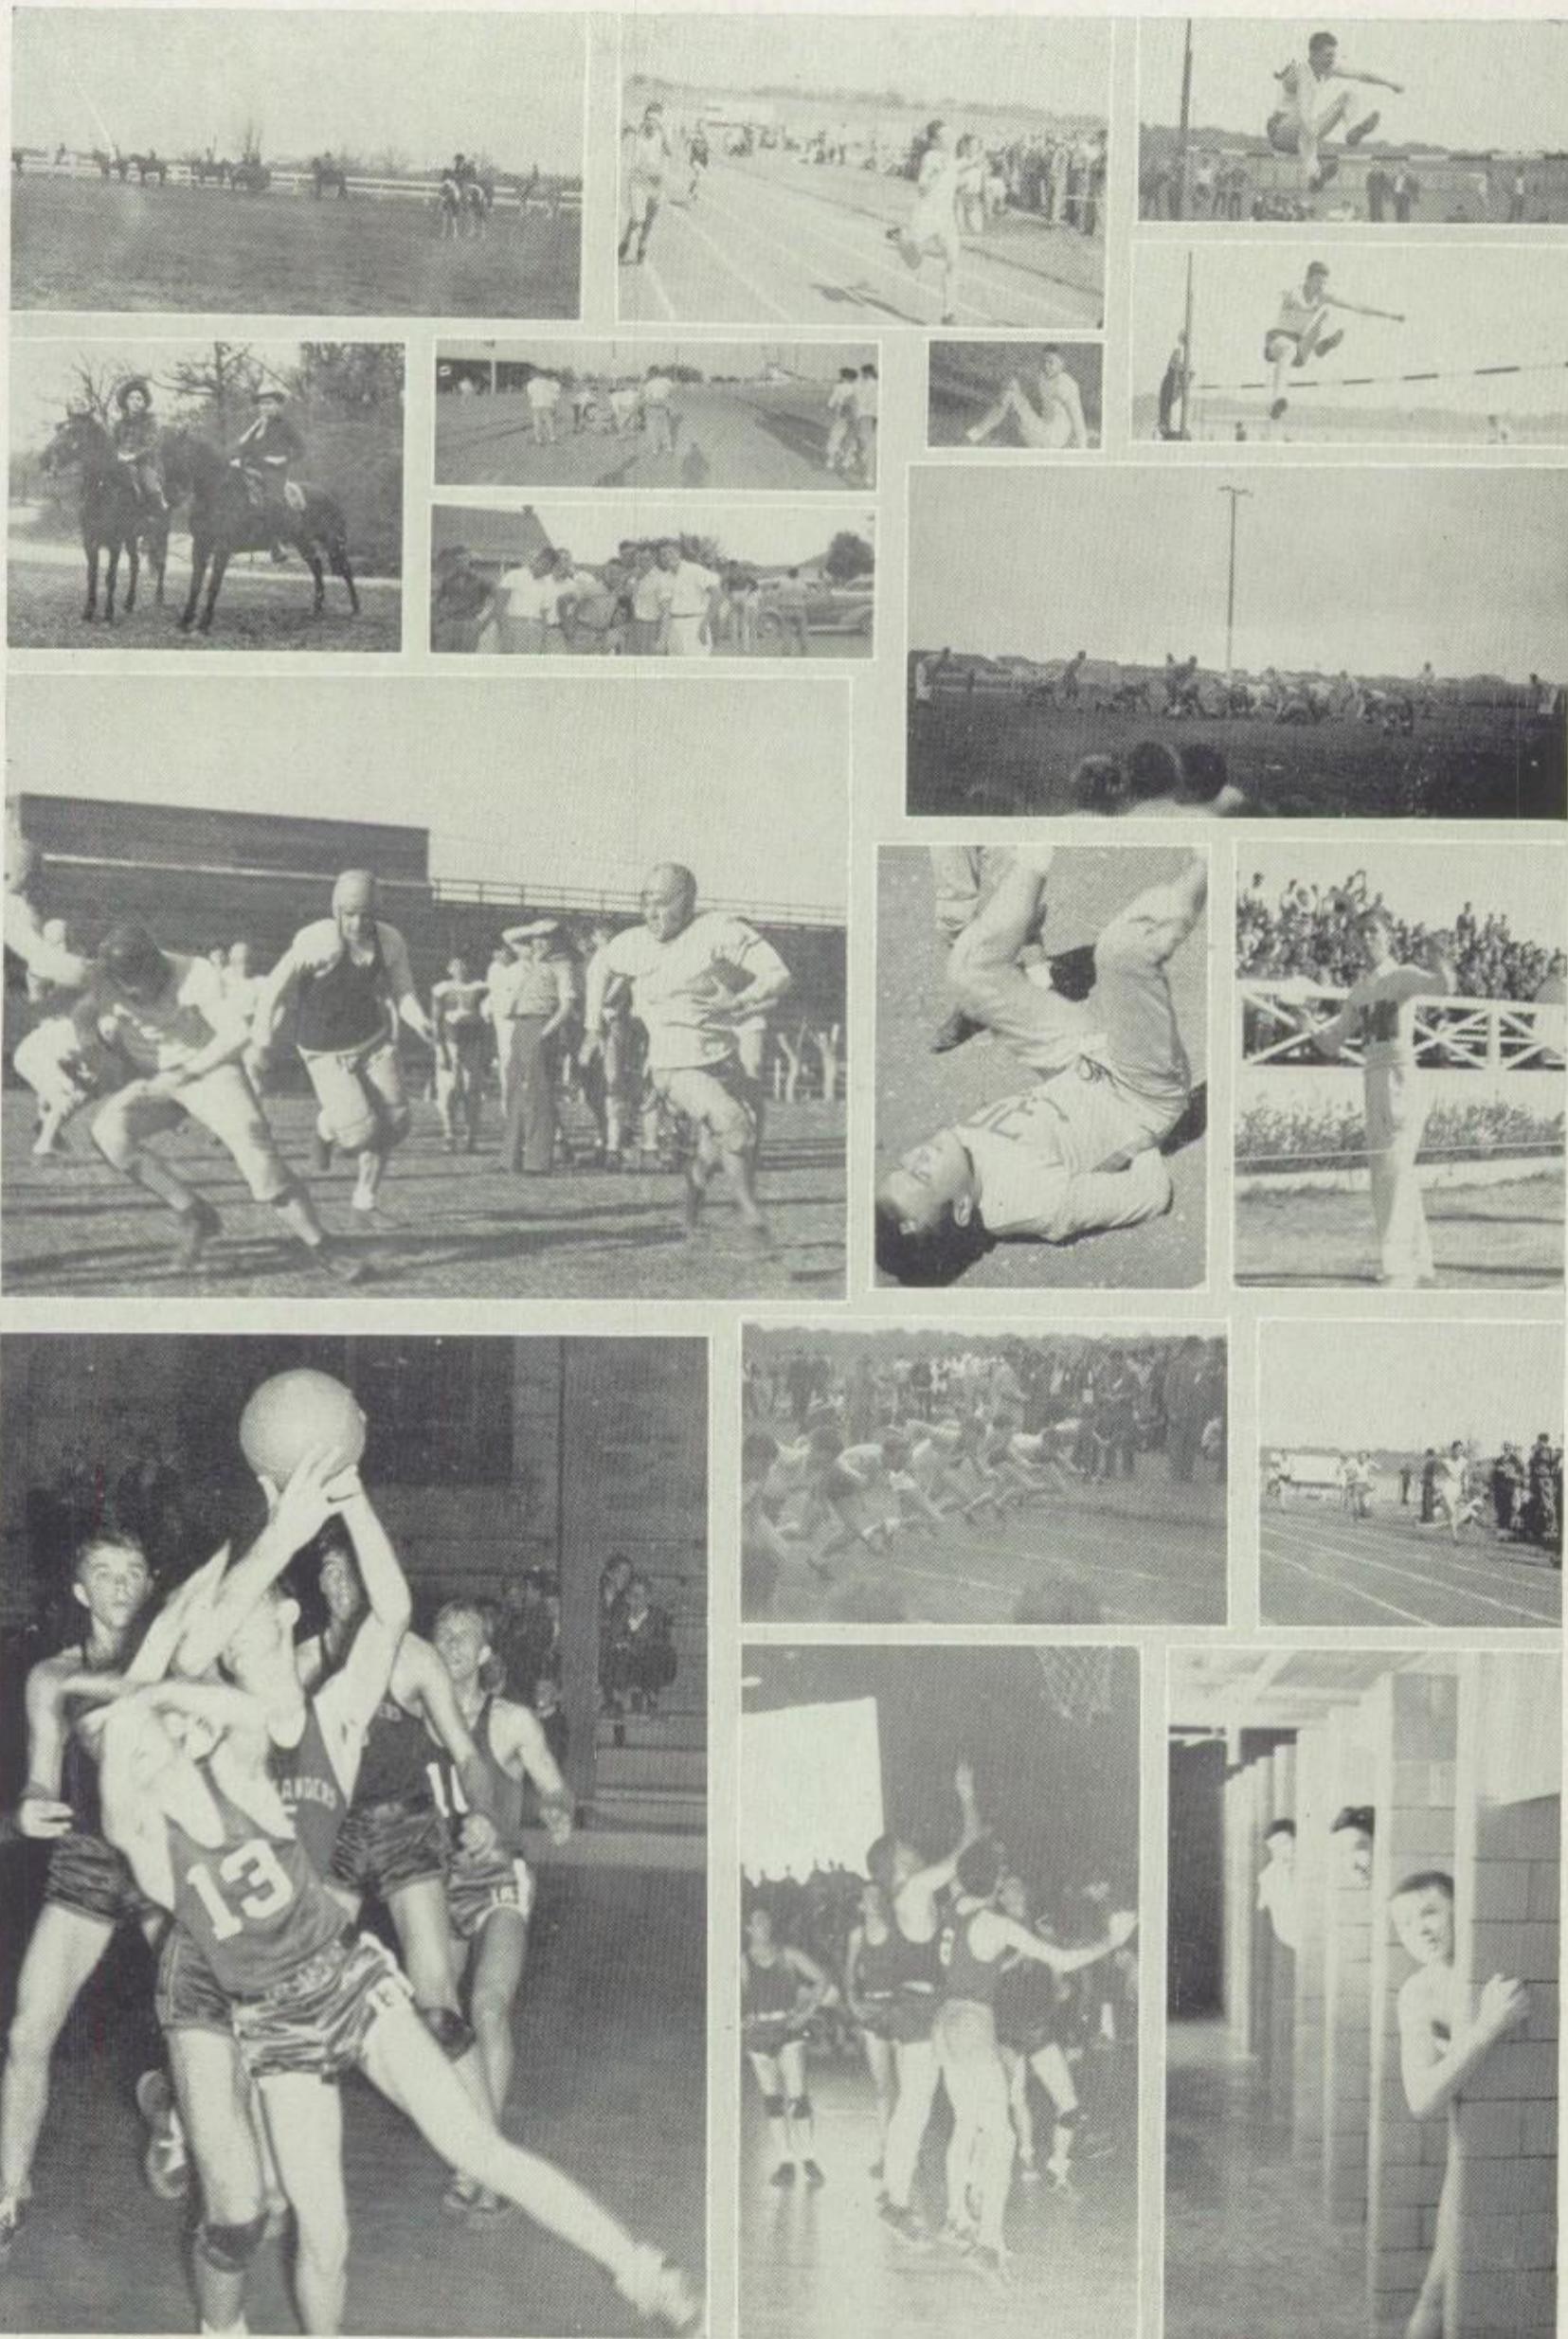

We were seriously handicapped this year by the fact that our only letterman from last year, Edward Headington, was crippled with a knee injury. Headington finally managed to get in shape to play in the district, but he was not allowed to play in but one of the practice matches. Bill Laidlaw, our number two man, was quite inexperienced in match play, but before the season was over he proved he was well qualified to hold down the number two position. Walter Browning, the only junior on the team, battled Dick Curry all season for the number three position. Both boys turned in some good matches. Fred Higginbotham was the capable coach.

Headington and Laidlaw played doubles in the District Tournament and advanced into the finals, only to lose to the North Dallas doubles team. Walter Browning played singles and advanced to the semi-finals before dropping his match to the Sherman representative.

# THE "H" ASSOCIATION

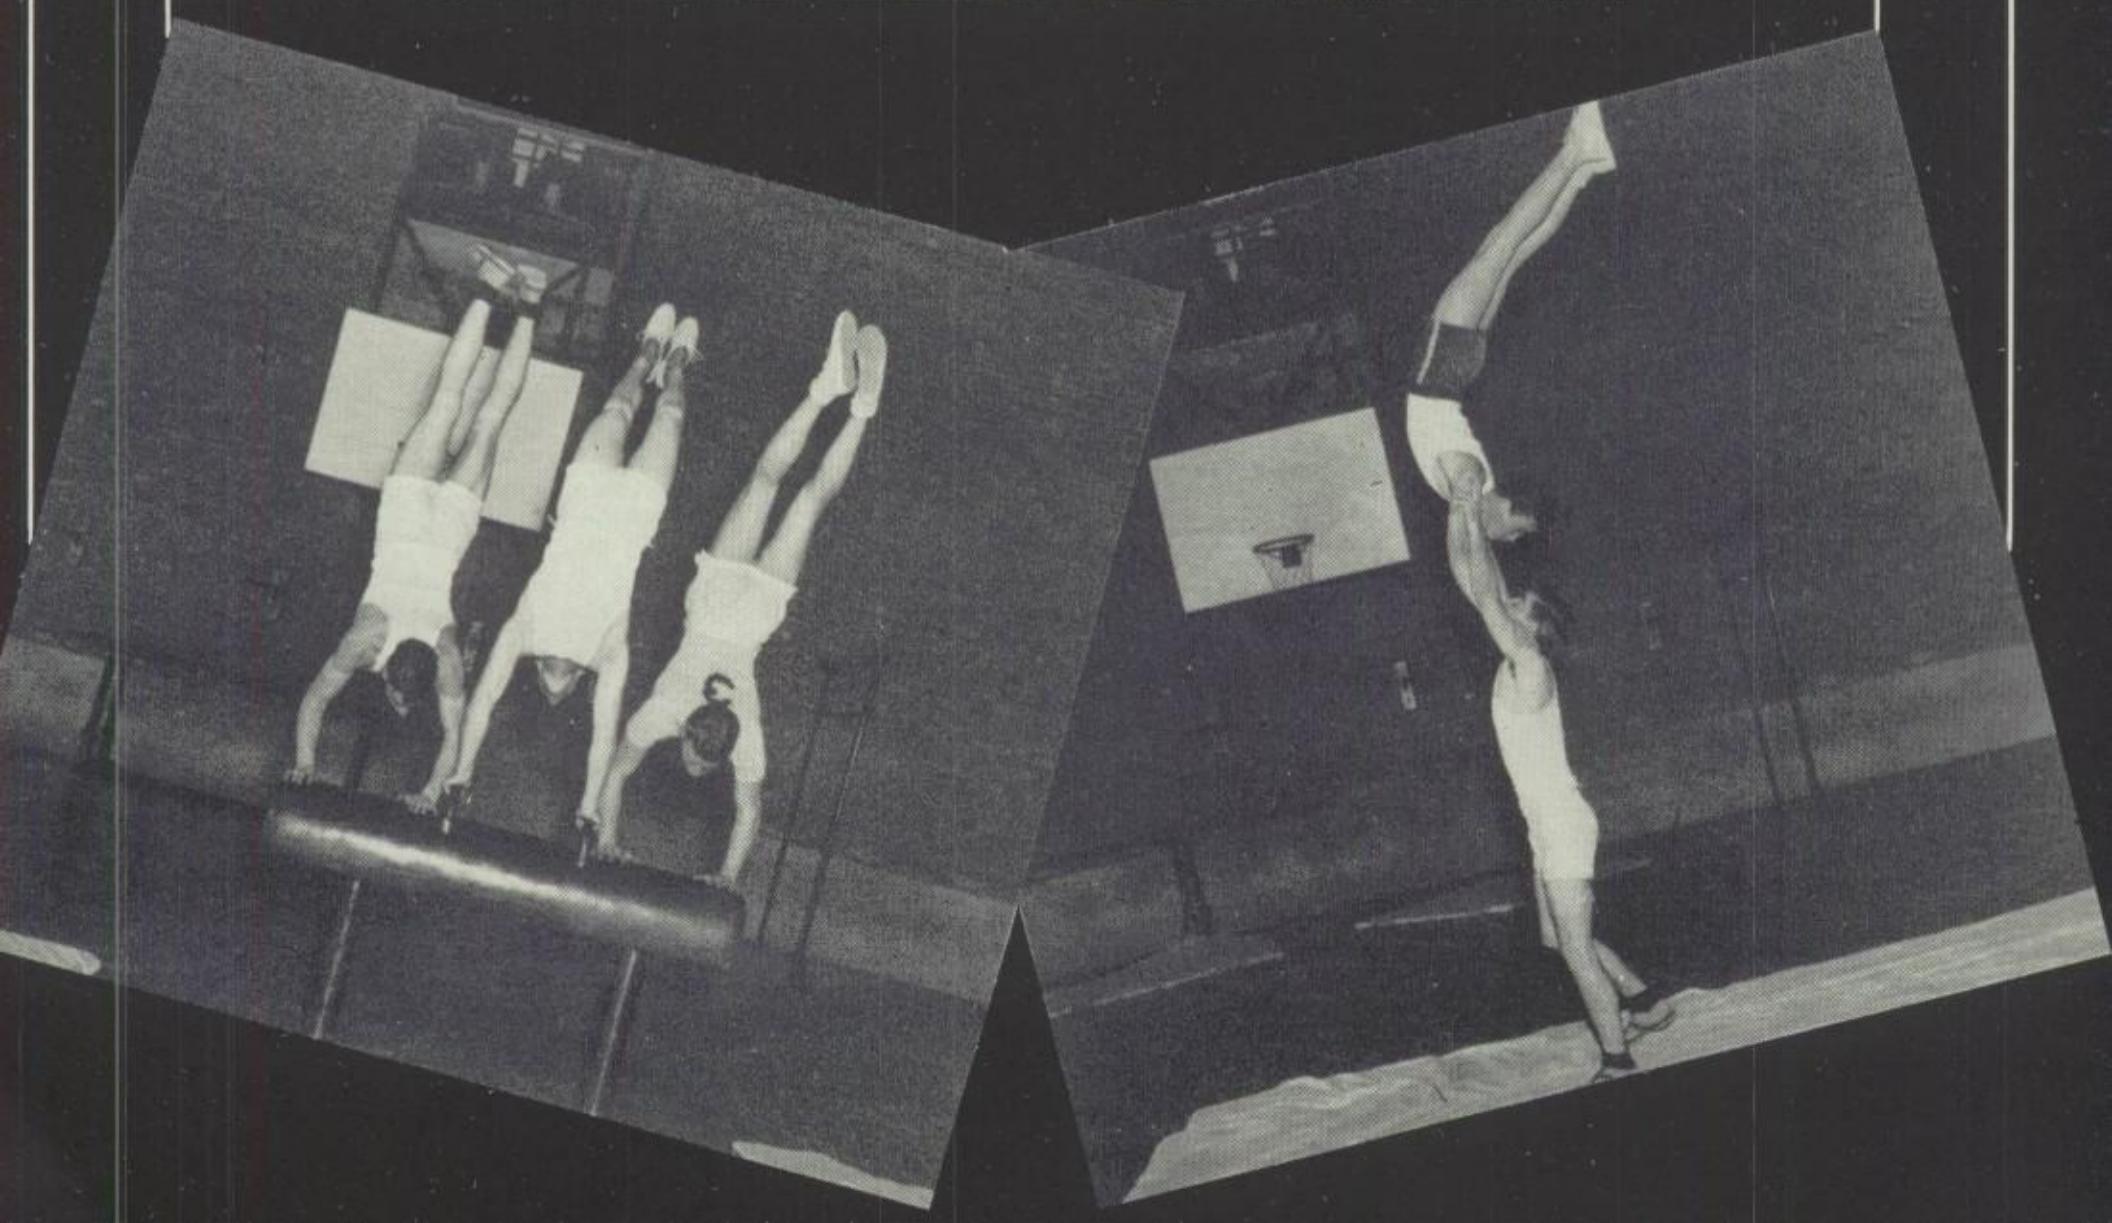

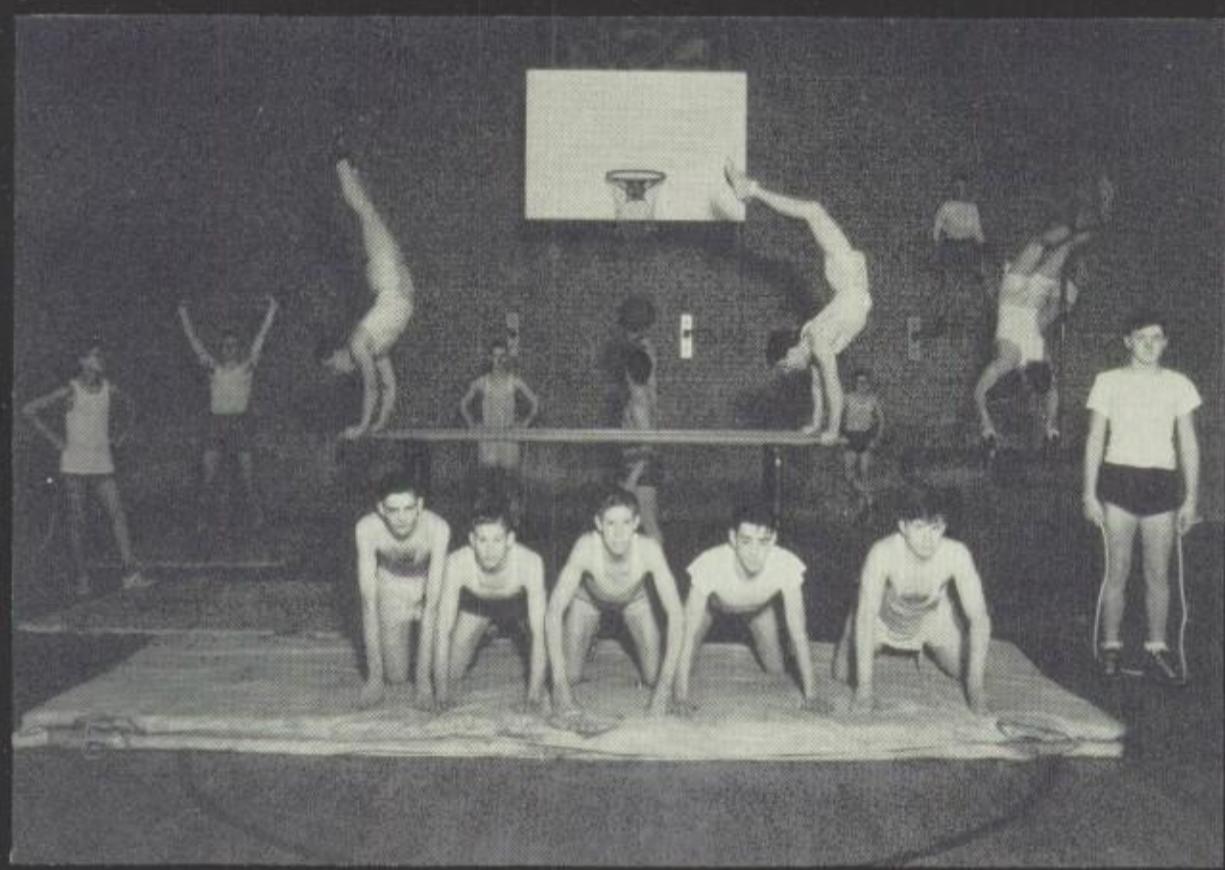

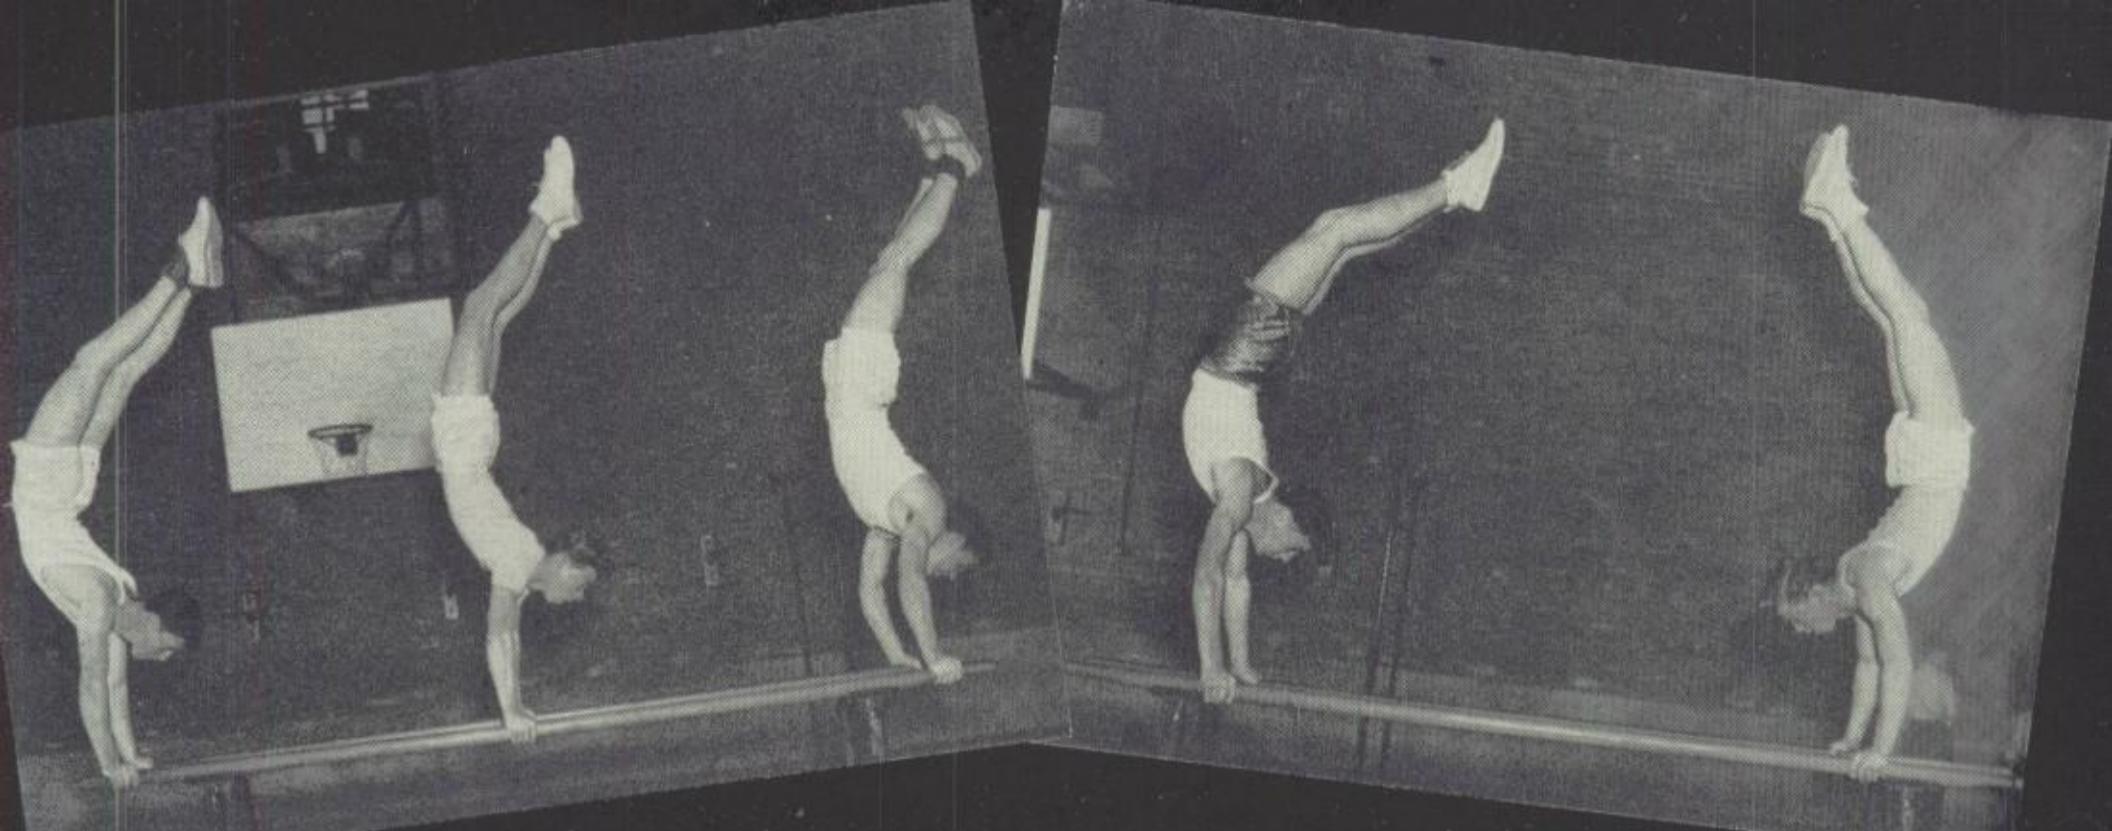

All students who have received letters for competition on the "A" squads or have served as manager of any of the "A" squads, which include football, basketball, baseball, track, tennis, and golf, are eligible to become members of the "H" Association.

The primary purpose of this organization is to coordinate all the branches of athletics for the purpose of cooperating with all other school organizations and activities and to promote good sportsmanship. This association is an organization which will become a permanent one and one to which all lettermen will aspire to membership.

The first initiation was held in a public assembly at the school and was a huge success. The new members were introduced and then became victims of pranks which were amusing to all. A dance was held at the Adolphus Hotel to honor new members and the football squad.

# GIRLS' ATHLETICS

# BASKETBALL

Girls' basketball at Highland Park is rapidly becoming more and more important, and this year was a fair example of success all around. About fifty girls participated in regular basketball, and three teams gave exhibitions throughout the year of fast, clean playing. Mrs. Milton Kuser coached the first and second teams, while Miss Mildred Chappell coached the third string.

The first team, captained by Lois Rodreick and Sally Riley, played twenty-one games all season, won ten, lost ten, and tied one. On January 28 and 29 the team entered the Terrell Invitation Tourney, and was fairly successful. The last two games of the season were played at the Lancaster Invitation Tournament, where Highland Park was finally eliminated by Lancaster itself.

The second team, captained by Frances Harris, played twenty games during the season, won ten, and lost ten. The primary achievement of the season occurred on January 12, when the seconds defeated Celeste's second string. The second team also entered the Terrell and Lancaster tournaments, and in the latter went far up the bracket before it was defeated. The third team, captained by Amelie Allen, played fewer games, mostly against much stronger competition, and won about half of its games.

At the annual banquet Sportsmanship Cups went to Lois Rodreick of the first team, Jane Wrather of the second team, and to Marjorie Forrest of the third team. The Improvement Awards were given to Lucille Bilsborough of the first team, Margaret Payne of the second team, and to Mary Virginia Prehn from the third team.

Intramural basketball again chalked up another successful year at Highland Park, and the Lassies who participated enjoyed every minute of it. About a hundred and fifty girls went out, and these girls were divided into ten teams with captains elected within each team. These teams were divided in turn into two leagues, the Tuesday Night League and the Thursday Night League.

The team captained by Betty Roessler and coached by Martha Lou Barnett won the Tuesday Night League, and Jane Duls' team, coached by Frances Harris, had the highest percentage of the Thursday Night League. On January 20, these two championship teams met, and Betty Roessler's team emerged as the best of the intramural teams.

Hi Park's Lassie Racqueeteers...Jane Duls, singles representative...Jane Taylor, Catherine Cole, doubles representatives and Patsy Blaylock, alternate

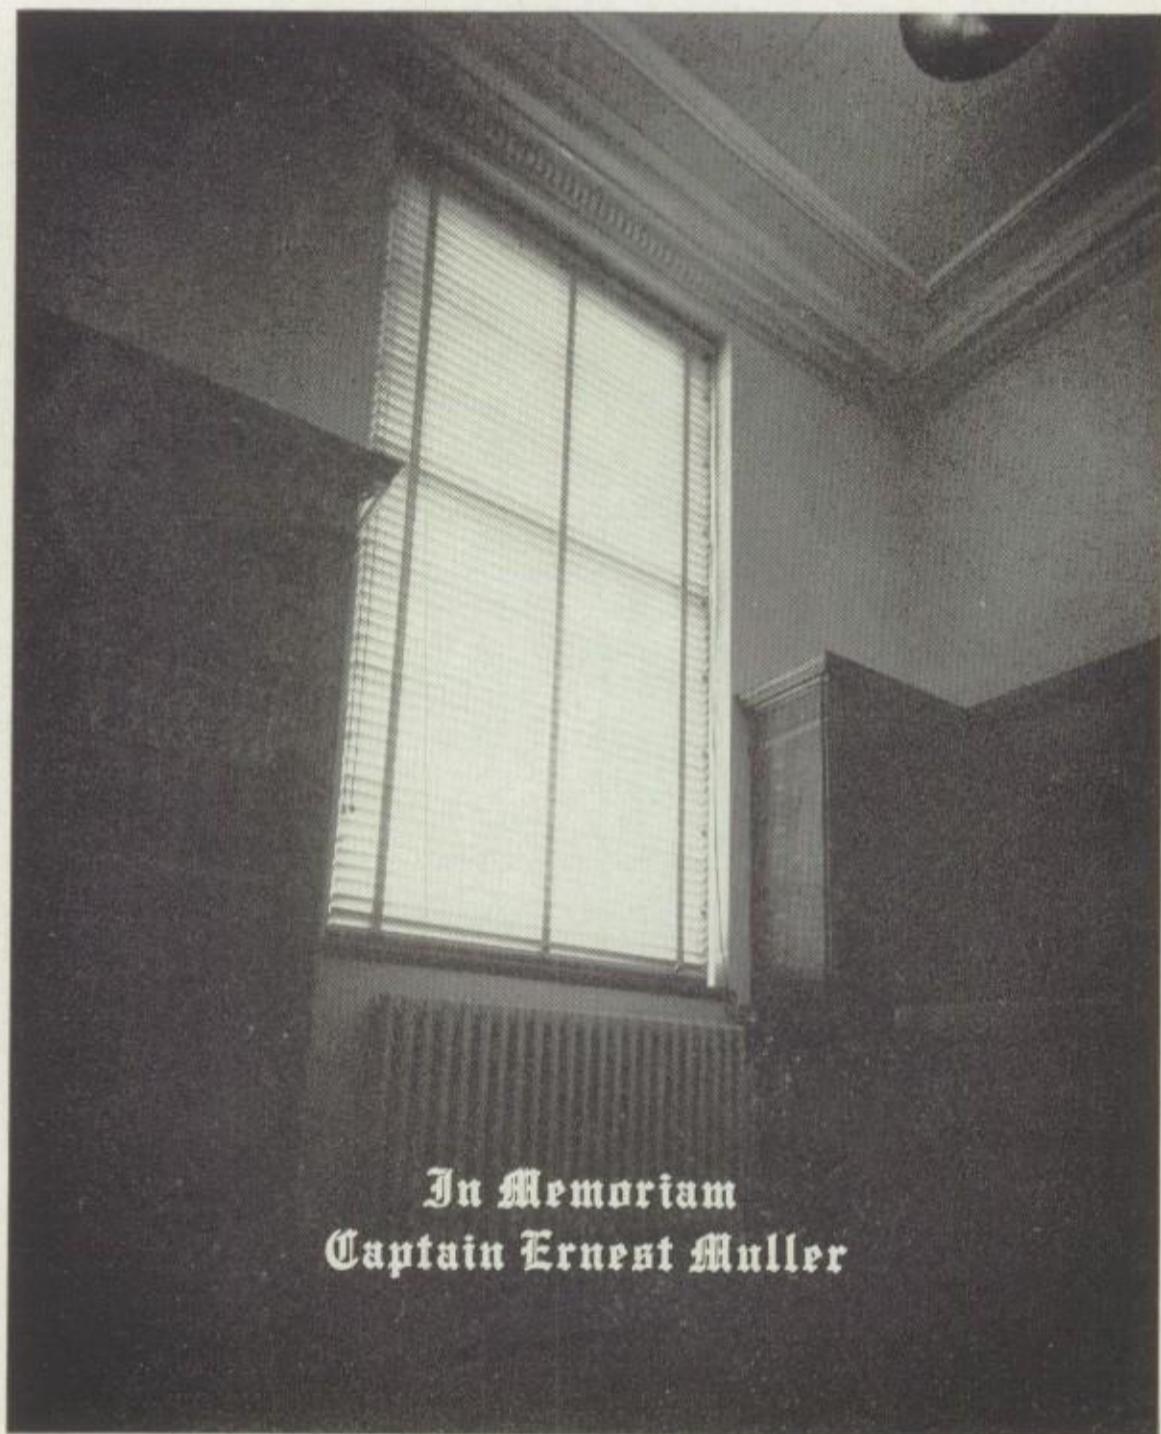

In spring one of the favorite sports of Highland Park's Lasses is tennis, and as soon as the sun creeps out, the girls don shorts and begin warming up. This year the outstanding tennis player was Jane Duls, the singles representative for Highland Park, and president of the Tennis Club. Closely seconding her were Jane Taylor and Catherine Cole, the doubles representatives, with Jane Wrather as alternate. In the practice games schedu'ed by Miss Mildred Chappell, tennis coach, the trio was very successful, and defeated such opponents as Denton, Forest and North Dallas. In the annual Interscholastic League play-off, held at the Dallas Lawn and Tennis Club on April 13, Jane was defeated in the finals by the Adamson entry. Catherine Cole and Jane Wrather were defeated by the representatives from Garland. Later in the spring an all girls' tournament was held, to top off the season.

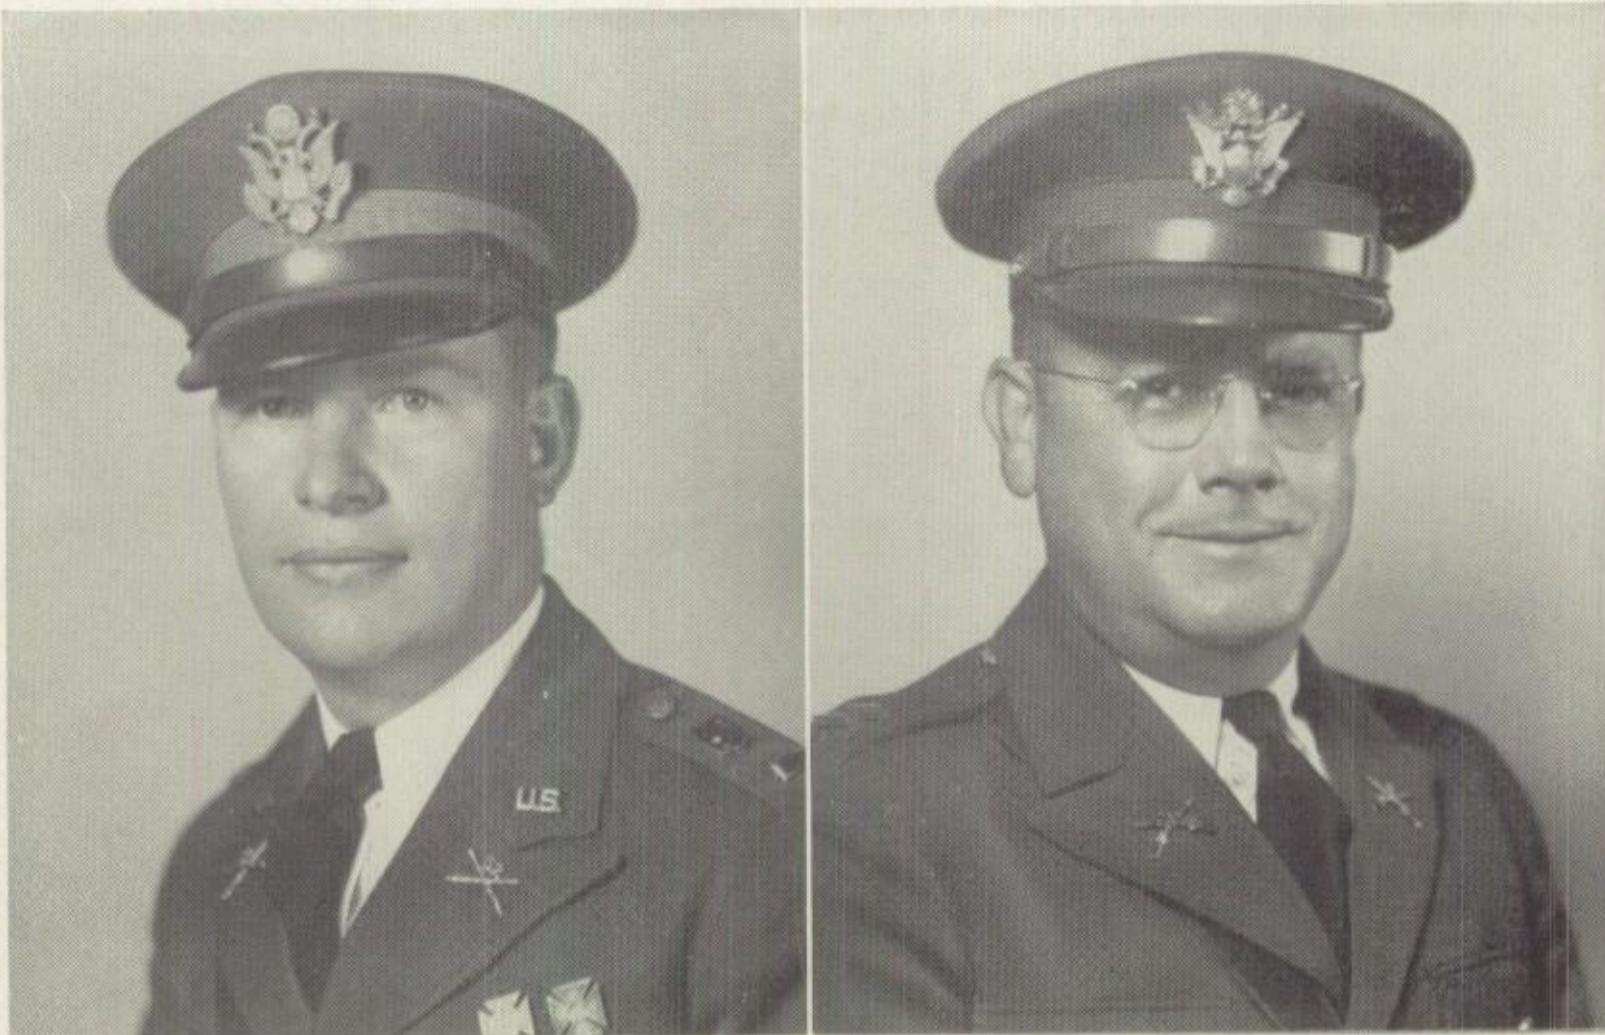

MILITARY

**In Memoriam  
Captain Ernest Muller**

LIEUTENANT R. P. LIVELY

COLONEL RALPH W. BECK

## LIEUTENANT LIVELY

After eighteen years of military experience, Lieutenant Lively took his position as Commandant at Highland Park in the fall of 1937, and he has met with great popularity among the Cadet Corps. Lieutenant Lively started as a cadet in Oak Cliff High School; he has served as R. O. T. C. instructor at Sunset and at Woodrow Wilson High Schools and has had three years service with the regular army.

Under his excellent leadership the corps has brought much honor to the school and will continue to do so in years to come.

## COLONEL BECK

Two years before Colonel Beck received his B.A. degree from Trinity University, he directed the municipal band in Midlothian and continued successfully in that position for four years. He then took the position of instructor of the school and municipal band of Teague, winning many first prizes during these years.

After eight years of instruction he came to Highland Park where he has remained for twelve years. Under his able direction the band has won superior ratings and many individual places in the state contests.

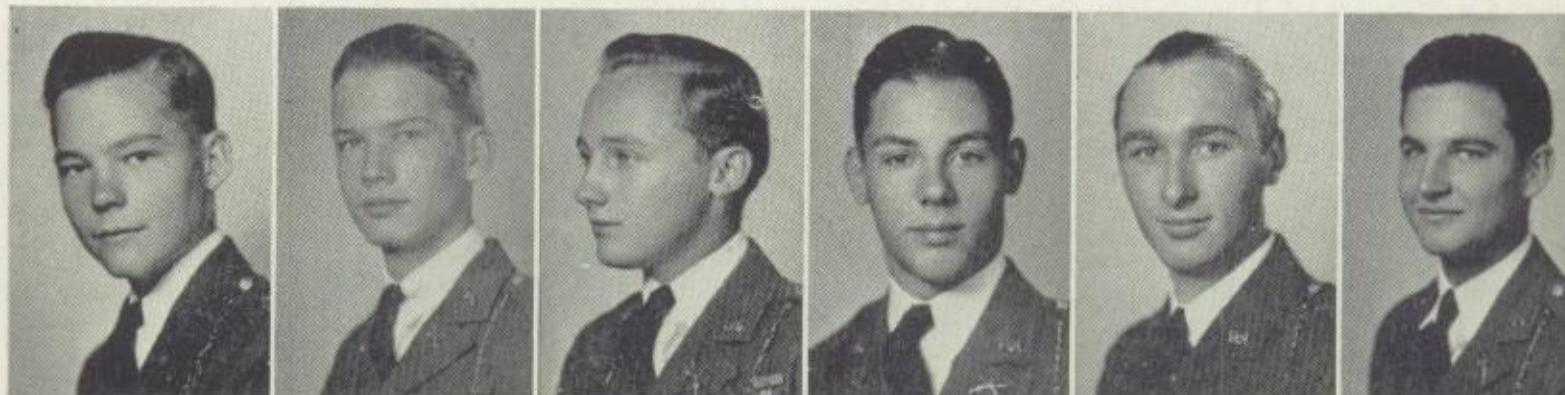

## HI PARK CADETS, WE SALUTE YOU!

In the city-wide competition between the military units of each Dallas High School, the Highland Park unit shared in the honors. The officers ranked first in the Officers' Test. Desiring to share the burden of securing proper recognition for our Corps, the rifle team won the All-City Championship Rifle Match and placed high in others. The Corps also made a very creditable showing in the fall and spring inspections. The Crack Company in May brought to a close another year of competition in which the cadets were in their doing their best.

THISTLES

## D E D I C A T I O N

This "Thistle" section has been dedicated to the noble Scotchmen that during the past year have "turned the tables" on the Gold-Diggers and have made that long profitable avocation a thing of the past.

So to the tightest tight-wads I know—  
The laddies of Hi Park Hi\*

\*All except Johnny (High Five) Thompson and Dale (Money-burns-holes-in-my-pockets) Martin.

## F O R E W O R D

The thistle is Scotch  
like you and me,  
And none may sit on  
any of us three.

Perhaps in every annual that this reader has glanced through (for, after all, isn't that all they ever do?) there has been a paragraph to the effect that "this volume\*" was written to serve as a mirror of the joyful and dexterous days spent within the portals of said institution."

Since that is the case, far be it from us, the staff of only a high school annual, to change that long followed and trite tradition. Therefore, just as the theme of every commencement address is "that your education is just beginning"; so is the theme of this "Thistle" Section, "to serve as a mirror of the lighter and more frivolous moments spent in this, our new building."

\*Volume—something that this book has tried not to be.

Closely identified with the progress and development of Highland Park and University Park has been the growth of the Hillcrest State Bank. We are indeed proud to be an integral part in the furtherance of the spirit of the Park Cities.

## **BUILDING CITIZENS...**

Highland Park High School has developed in a comparatively few years into one of the leading high schools of the State. It is an institution of which Highland Park and University Park may well be proud . . . an institution which is moulding the character of its youth . . . preparing them to meet the responsibilities of citizenship which will be theirs in years to come.

May this school continue its fine work!

Girls, skip this paragraph! It is really unfit for publication. It got into this book by mistake, and I asked the printer to destroy it or set it wrong side up:

If she had to stand on her head,  
We knew she'd get at it somehow,  
This poem she's already read—  
Now, we'll wager ten cents to a farthing,  
If she gets the least kind of a show.  
But you bet she'll find it out somehow  
It's something she ought not to know:  
If there is anything that worries a woman

•

Virgil: "I dreamed I married the most beautiful girl in the world."

Bette Lynn: "Were we happy?"

•

The frugal Scot was taking his son for a walk, when he said thoughtfully, "Son, have you got on your Sunday boots?"

"Aye, Father," was the reply.

"Then take longer steps."

•

Fullinwider: "Do you like men who are always trying to kiss you—or the other kind?"

Cobb: "What other kind?"

•

"Now Bobby," the teacher said, "tell me where the elephant is found."

The boy hesitated for a moment, and then his face lit up.

"The elephant," he said, "is such a large animal it is scarcely ever lost."

## THE FLOWER MART

W. A. SIMPKINS, *Proprietor*

Maple at Oak Lawn

Waiter (serving soup): "Looks like rain, sir."

Curry (with scorn): "Yes, and tastes like dishwater."

"Hello," said Betty Lynn over the telephone, "Is this the Humane Society?"

"Yes," replied the official in charge.

"Well, Virgil is sitting out here in a tree  
teasing my dog, Dorothy Mae."

A woman looks upon a secret in two  
ways: Either it is not worth keeping, or it is  
too good to keep.

Audrey: "Oh, dear, I'm so discouraged.  
Everything I do seems to be wrong."

Little John: "M-m-m. Well, what are you  
doing tonight, angel?"

Pat McEvoy: "I dreamed last night that  
I kissed you. What is that a sign of?"

Johnetta McKamy: "That you have more  
sense when you are asleep."

### ATTENTION! BILL GRINNAN

Too hot to work;  
Too hot to play;  
That's my poem;  
So long; good day.

If Mama Eve had been as wise as some  
of her daughters, what a fool she'd have  
made of that snake.

Teacher: "What's the shape of the earth?"

Leland Ellis: "Round."

Teacher: "How do you know that?"

Leland: "Well, square then. I don't want to get into an argument about it."

Herman Howard: "What's the best way to teach a girl to swim?"

Frank Jones: "Well—you want to take her gently down to the water, put your arm 'round her waist, and—

Herman: "Oh, cut it out. It's my sister."

Frank: "Oh, push her off the dock."

Doris B.: "You're the only man that's ever kissed me."

Bob Bekins: "Are you bragging or complaining?"

### THE FIRST YEAR

Jean (after trying on about 150 dresses): "Wouldn't you like to see me in something flowing?"

R. C.: "Yes, go jump in the river!"

B. Bekins: "Whatcher doin' this evening?"

D. Boughton: "Reading some racy literature."

Bob: "Boccaccio?"

Doris: "Naw, Ben-Hur."

Jim Moroney: "I sat through that picture show three times last night."

Milton Richardson: "Why, I heard it was a terrible show."

Moroney: "That's just it! It was so lousy I had to sit through it three times to get my money's worth."

Frey: "Aw, come on; gimme a little kiss."

Rosanelle: "No, sir; I'm saving all my little kisses for the man I marry; but, say, how about a big one?"

Men are like wagons, rattle most when there is nothing in them.

Alice Jones: "Goodnight, dear."

Hal Hancock: "Sure was!"
